

AITANA is a family business that was born as a project in the 80s.

In such volatile economic environments, we have experienced an exceptional growth due to the quality of our products and an ideal final result with the best after sale service.

From our compromise of continuing growing together with our customers, and with the confidence that gives a well done work, we face the future dinamically and challenging with the maximum guarantee of success.

In short, we thank you the interest in our products and we hope that you decide to have them soon. Together we can undertake the challenge of daily improvement.

MISSION

Create and promote excellent quality tablecloths, with design and variety, which facilitate day by day, avoiding stains and saving time, improving the quality life of our customers.

VISION

Our purpose is to be the leaders in the distribution of tablecloths, as a pioneer business in the big chains of the national market, being innovative and offering all type of qualities.

VALUES

- FLEXIBILITY: wide range of products presented in different forms to achieve commercialization success.
- RELIABILITY: we offer a quality product that has overcome every control in the manufacturing process.
- SUSTAINABILITY: we are constantly growing that approaching sustainability, always respecting the environment.
- CONFIDENCE: a human team willing to serve you, we hope it will be yours soon. Together we can undertake the challenge of daily improvement.

WE PARTICIPATE IN NATIONAL AND INTERNATIONAL FAIRS

EXPORT

Aitana Textil has an export department, which manage international trade relations and the participation in international fairs.

Our products are present in more than 60 countries, from Europe to Russia, Arabic Emirates, South and Central America, China, Japan...

This is due to the business projecting towards the exterior since 2000, when Aitana achieves the first client outside the national area.

HOW DO WE WORK?

In Aitana we have 2 sale formats:

- By meter
- Ready made

Adapted solutions to every customer, depending on the market in which they develop their activity.

TABLECLOTH COLLECTION

Louvre, anti-stain tablecloths. It is made by applying acrylic polymer coating, without losing the textile appearance. It grants the maximum certified protection against stains.

The coating of our tablecloths, unlike others present in the market, creates a more resistant and lasting coat that protects the tablecloth.

We welcome Louvre, a quality tablecloth collection in widths of 140, 160 and 180cm.

COLECCIÓN DE ALFOMBRAS

AVALON

AVALON is a solid fabric of new generation, anti-stain and anti-slip, waterproof and insulating

It is resistant, lasting and with low maintenance and easy cleaning.

It is created by Aitana in widths of 75 and 150cm.
