Company Profile

K.B Enterprises is one of Pakistan's growing textile companies in manufacturing and exporting textile fabrics, terry towels and textile items for home and all over the world. Our journey begins when we established a weaving unit with an ultimate vertical spinning facility in 1975. After serving the main producer of premium yarns and fabrics in 2003, an export unit was established to spread our services worldwide. We export about US \$ 65 million annually.
