A photograph of a father and his young daughter sitting on a dark grey rug in a child's bedroom. The father, with a beard and wearing a grey t-shirt, is holding an acoustic guitar and looking at his daughter. The daughter, with long brown hair and wearing a pink and white striped shirt, is smiling and looking at the guitar. They are both barefoot. To their left is a bed with a pink duvet cover featuring a heart pattern and a pink stuffed rabbit. In the background, there is a white chair with a blue heart-patterned cushion, a white teepee with a grey star pattern, and a pink heart-patterned pillow on the floor. The room has light-colored wooden flooring and a white wall with star decorations.
