IKAT MOTIFS

Explore new variations of the Fluid Artwork trend, with colorful hues offering a fresh feel. Motifs appear lightweight and work well in repeat compositions, ideal for large surfaces including wallcoverings and textiles. Off-white grounds keep this direction new.

Pull inspiration from geometric and illustrate with blocks.

Arc-ist

-the colours of fall.

The Colors of Fall

Our pastel brown palette captures the essence of autumn's earthy tones. Each tufted creation is a masterpiece in itself, reflecting the season's rich and comforting hues.
