

WHAT WE DO

We produce high quality Jacquard fabrics at very competitive prices in many sizes for upholstery, jacquard bedding, curtains, tablecloths and cushions. We can supply all our fabrics in rolls by yard or as a readymade product with the required labeling. We have many looms and we can adapt our quality and designs to your needs. We produce polyester cotton, till 410gr/mt², chenille or linen viscose qualities and we can offer you exclusivity in our designs.
