

A Good Day Starts At Night...

Memory Foam Pillow

VISCOTEX[®]
Viscoelastic Technology

Viscotex is one of the largest and the most reliable factory for molded foam producer in Turkey. We produce high quality molded memory foam pillows medical pillows and cushions and by using BASF German company raw material which is the best material for memory foam. VISCOTEX taking firm steps toward becoming well-known brand by combining international level human health and environment sensitive production methods and superior quality control understanding. Our company can produce 75.000 pillows in a month by modern production techniques sees growth and success as renewable target while constantly improve service quality. VISCOTEX has gained notable place in the sector with ongoing marketing strategies. We are also able to produce customized products under the private label. (New molds, fabrics, packaging etc.) Some of the benefits that you will experience when we begin our cooperation: Our memory foam is odorless and never get damaged. We use aluminum etial 171 molds for the pillows which means that all of the pillows will be always same density and same shape. We produce ventilation channels pillows with a 50 – 55 density which allows uninterrupted air circulation. Experienced in drop-shipment and door to door deliveries all over Europe which enables you to save on your warehouse and logistics costs.

•Fight Aging While You Sleep Prevent Wrinkles

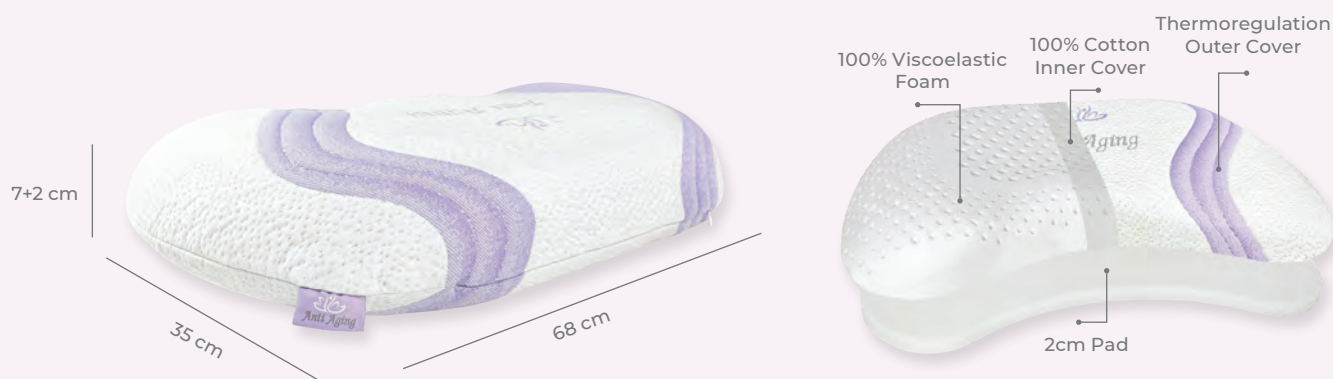

Avoiding facial compression while sleeping is the best way to prevent or minimize sleep wrinkles.

•Reduce Acne

•Reduce repeated pressure on your skin which can trigger and cause acne.

Your Face Pillow is uniquely designed to alleviate pressure and keep your spine and neck aligned, providing neck pain relief, preventing wrinkles. It is adjustable 9 cm to 11 cm medium height will be suitable for all sleepers. This height can help your head and cervical spine on the same level to ensure smooth breathing throughout the night.

•It's not just a pillow for neck relief – it doubles as an anti-aging pillow.
