# Company Overview

---

A.N TEXTILES is considered as one of the leading manufacturer & exporter of Home Textile products in Pakistan with an extensive collaboration across the globe. The company was founded in 2008, with the name of ES Tex International but soon we emerged under the name of A.N Textiles and running both companies as sister concern.

In the 90's we have manufactured for local Pakistani companies and started to grow only a few years later. Our company has won great confidence by customers across the European Union & the Americas by delivering high quality for a reasonable price. Today we are a flexible company which create collections for our customers as well as manufacturing Home Textile fabric & finished goods upon customer requirements.

Our product groups mainly include Knits and woven Home Textile products, For instance, Bed linen, Kitchen & Table Linen, Terry Towel, Knitted Fitted Sheets & Institutional linen.

One reason that enables us to offer a better price than our competitors is, that all production steps from cutting to sewing, packaging and controlling are handled by our well qualified employees, which keeps our costs low. Another reason is, that we produce in Pakistan with low production costs which lead to a lower price for our customers. In addition to that our satisfied reference to customers proves us right, that we deliver high quality for a reasonable price.

# Mission & Vision Statement

---

## Mission Statement

Our Aim: We are committed to provide our valued customers a product satisfaction with unmatched services, while establishing the objectives and processes necessary to deliver results in accordance with customer requirements and the organizations policies.
