

## Profile

Royal home creations is a leading exporter of household textile products specializing in carpets, handwoven rugs, digital & screen printed rugs, cushions, throws & blankets, woven and handmade wall hangings, bathmats, poufs, utility baskets and pet beds. Founded in 2002, We have been supplying creative, luxurious and high quality products to US,UK, Europe and Asian markets.

Our reputation is built on reliability and being able to deliver a quality product on time. Having own manufacturing facility of tufting, handloom and stitching enable us to explore various cost effective techniques and interpretation to create a perfect blend of creative and commercial products.

Our design team consists of highly experienced professionals who keep on updating our current product line as per latest color trends and themes along with understanding buyer own specific design brief, cads and artworks to come up with actual design feasibility to support production orientation.

## A Woven Story

Inspired from the classic handwoven traditional weaves, our collections of handwoven rug/cushion/pouf showcase a harmonious fusion which add comfort to your drawing room aesthetics.

Adorn your walls with our unique handwoven and handcrafted dream catcher/wall hangings that incorporates a retro design into the modern day decor. A versatile piece of art can be utilized in various area of your home.

## Printed Handwoven Rugs

Let not the art only display on your wall. Bring it back to dress up your floor by using digital technology to transcend any design intricacy to create a woven masterpiece of art.

Complete your rooms look with style and class of these beautifully designed digital printed handwoven rugs.

Rugs are handwoven in Poly/jute, Poly/cotton blends to ensure robustness for the everyday's comings and goings of a busy household.

These striking looks compliment your home decor that will make a delightful feature in your living space.

These quick dry and easy care rugs maintain and retain its colors and sheen for longer time and looks new after every wash.

A process of transforming simple surfaces to create striated, timeworn antique look by using various washing processes alongside retaining its lasting colors.

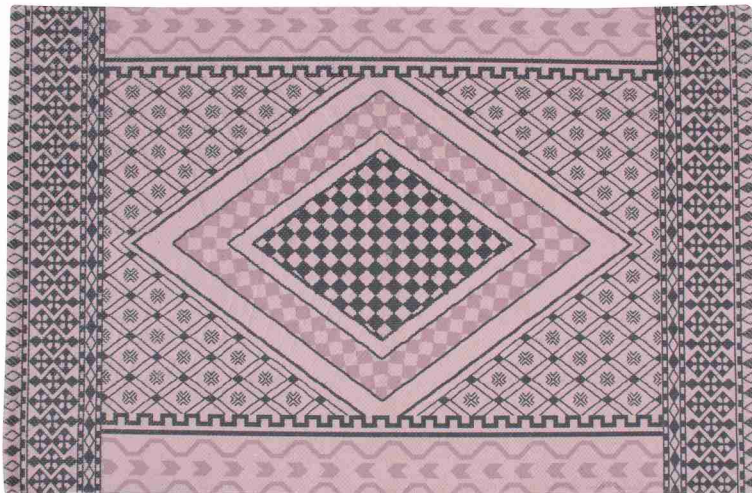

Enhance the beauty of your floor  
Economical way to dresses up your living rooms, bedrooms and any surface instantly.

Foiling is another process to create shimmer design effect.

Primarily natural fiber constructed rugs are used for this process of various qualities.

Value for money rugs for your everyday's mood.

## Hand woven cushions

Our uniquely stand out cushions are in plenty of textured looks.

A handwoven mix of bunched yarns, thick and thin playful textures, mottling looks, popcorns, macrame, mix n match yarn blends, tastefully created color fusions, explorations in mixed techniques of weaving and tufting..... & so on.

There is so much to offer to style your current decor without changing an overhaul home interior.

All our cushions easily add a graceful dimension to your living room look.

Place them on a chair, sofa to add visual interest and cozy appeal in a room.

## Bathrugs

Pamper your feet after a shower. Step into the luxurious, soft, absorbent bathrugs primarily made out of premium quality cotton of Ring spun & open end yarns, sophisticated egyptian & organic yarns and cotton blends which includes cotton bamboo, cotton modal, cotton viscose, cotton tencel etc. Micro polyester yarns add further value with quick dry and easy care characteristics.

A combination of machine and skilled hands create various loop and cut pile textures, reversible constructions and sculpted looks

An often, plush constructions are incorporated through table top tufting technique whereas Handwoven bathrug constructions showcase a contemporary and traditional design outlook.

Dyeing is outsourced from OekoTex and REACH compliant dyeing units

Come and explore the sophistication and livable design collection featuring exclusivity and functionality

We would like to invite you to explore our creative product line or provide us an opportunity to showcase it for your consideration. Thanks
