KARACHI THE FINANCIAL HUB

ABOUT US

S.A.H. Enterprise Inc. a private limited company incorporated in Panama, located in Karachi Export Processing zone. The area of factory is 100,000 Sqr.ft with RCC construction. The company is primarily engaged in the manufacturing & exporting of high quality textile products of International Standards which mainly includes woven microfibre bedding products, knitted & woven garments.

With well-equipped manufacturing facility and an in-house design and testing unit that enables us to meet the specific requirements of our valued clients. Our team of professionals is highly qualified and they keep themselves abreast with the latest technologies in order to offer better solutions to the clients. Our sound infrastructure, flawless range, customization capabilities and timely delivery of consignment have earned us a huge clientele across the country and internationally. With well equipped machineries and highly competent management staff has enabled us to excel in all our business ventures.

VISION MISSION & VALUES

The pace of innovation in communication technology and dismantling of trade barriers have made the concept of global village a real life scenario. The recent corporate failures and resulting change in regulatory environment internationally and in Pakistan has exponentially increased the complexity of business.

We recognize that in the new business and regulatory environment our clients' needs and expectations have changed. We strive to exceed our clients' expectations in their endeavors to realize new opportunities and meet new challenges.

While we pursue our mission to help our clients and our people excel, we are guided by a set of values which hold our clients' interests supreme and simultaneously enable us to deal with any conflict of interest situation effectively. These values are an integral part of our firm's work culture, emphasized vehemently and followed in letter and spirit.

HOME TEXTILE

S.A.H Enterprise Inc has transformed into a strong competitor in the field of Home textile. Being in Export processing zone we have prime benefit of importing duty free raw material & Accesories and this makes us more competative in the market.

Our product range mainly includes Bed Linens, Comforts, Bathrobes, Beach Towels, Duvet Covers Sets and Cushion Covers in polyester & microfiber brushed/peach skin fabric and all other polyester fabric used for home textile products.

Our strong and highly skilled human resource, sophisticated communication network and state of art production facility enable us to effectively respond to our customer's ever changing needs. We always strive to provide best quality products and also remain competitive in today's globel market.

POLY-FILL, WADDING AND QUILTING DEPARTMENT

Being in this business since 1993, we are one of the leading manufacturers and suppliers of superlative array of poly-fill, and quilting rolls. To manufacture optimum quality poly-fill, we make use of high grade raw materials which are secured from the most reliable vendors of the industry. Available in different weights, material density & bonding strength, our range of products are widely appreciated and Demanded by our clients across the domestic market. Our range of products broadly find their applications in making quilts, quilted cushion covers, bed spreads, cushion fillers, massage bed, foam sheet, jackets, etc.

No of Pollyfill Production Lines: 2 with a production Capacity of 4 Tons Per Day.

No. Of Quilting Machines: 4 with a production Capacity of 1500 Pcs Per day

CORRUGATED CARTON DEPARTMENT

S.A.H Enterprise Inc introduced the carton department in 2001 with the Aim of producing the highest quality of Corrugated Cartons. With its location based in the Duty Free Zone, all our Raw materials are imported from the best of the vendors around the world making our final product one of the best in the Market and being competitive as well.

THE PRODUCTION LINE

With an Automatic Corrugated Carton Plant, we are capable of producing 10,000 cartons a day, which ensures us to meet our customer deadlines.

In relative to the Automatic plant, we also have a Manual unit, which helps us in catering clients with smaller orders which puts us in a win win position with our competitors.

With a Printing Machine in house, our clients get their corrugated cartons with their desired printing on them.

In the field of corrugated cartons, S.A.H enterprise is also one of the Nominated and Approved suppliers of IKEA which certifies our role towards maintaining the Highest standards of Quality
