RAFIAS

pri-sim

TEXTIL S.R.L

Catalogue Raffias & Jutes

Naturally beautiful wallcoverings.

Natural materials, clean lines, rich textures, natural lines, the aesthetics essence of Rafias Pri Sim reference in natural decoration.

Varied botanical fibers, twisted of flax, cotton, jute, raffia with their organic texture bring their own intrinsic beauty to an array of hand loomed fabrics.

Drawing on heritage techniques, yarns of cotton are twisted into threads and woven by hand on last century looms to give subtle textures and a gentle palette to a range of raffia weaves fabrics.

Inventive techniques, nuanced design and an artful laying of exquisite natural materials, each takes part in a creative journey that offers a contemporary sustainable luxury expression of the handcraft tradition.

**Created by nature,
crafted by Rafias Pri Sim.**

✱ Raffia Madagascar

Strands of raffia have been twisted, hand woven dyed or bleached in a subtle and natural palette to create a unique wall covering texture.

RAFFIAS

RomboGold ✱

Different colors of raffia are skillfully contrasted dyed in a subtle and seemly random way.

* Florencia

An open weave of jute or a weaved jute fabrics with frilly cut strips of bleached jute threads with or without shining.

Caladode Yute *

Yarns of several thickness create a beautiful irregular open hand weave fabric.

see it, touch it.. love it
