LUXE FAUX FUR

Carved Faux Fur

Design redibly warm, you'll want to linear

Silky smooth and incredibly warm, you'll want to linger a little longer when you're tucked under this blanket. Its subtle carved faux fur texture makes it a chic addition to a bedspread or draped across a couch.

PORTFOLIO

Faux Fur With Tunnel

Rich in softness and exceptionally cozy, this ombre collection of faux fur gives you that warm and fuzzy feeling. The gorgeous gradient on each silky strand creates the look and feel of genuine fur.

-Back to the Ombre

Sometimes all you need is the warmth and comfort of a teddy bear. Soft, plush, and oh-so cozy, these faux fur throws are a casual yet elevated addition to a modern layered sofa. The patchwork design set this style apart.

New Patched Teddy

Made of incredibly silky fibers, our faux fur throw is made for cozy nights in. The short, dense pile makes it a natural choice for draping over a sofa, bed, or armchair season through season.

HOME DECORATION

Whether it is elegant, luxurious, or comfortable, warm, our blankets can bring you a sense of art at home.

Design

Chenille bonded

The irresistible texture of chenille adds a layer of coziness to your bed or seating area. With its luxe drape and thick, this throw offers warmth and style. Available in a range of colors and prints.
