MAIN CATEGORY

PROFESSIONAL TEXTILE MANUFACTURER

Zhejiang Jinnuo Textile

Company Profile

Zhejiang Jinnuo Textile Technology Co., Ltd is an advanced textile manufacturer who has the ability to design, produce and sell a variety of scarves, bedding textiles and window curtains.

With more than 20 years experience of producing polyester fabric, and equipped with 30,000 square meter modern factory, our annual production capacity is 20million meters, and becomes one of the leading suppliers in the industry.

Scarf & Apparels

We produce imitated silk fabrics, including all varieties of satin, chiffon, and twill. Fabrics are welcomed in Middle-East & Asia for decades

Window

From blackout curtain to airy sheer, from simple plain to sophisticated jacquard... hundreds of patterns are designed every year with our production team and customers.

Bedding

We provide comfortable & customized solutions to almost all bedding products: bedding set, comforter, pillow, blanket, adding warmth to your quality time!
