

AEROPRESS®

NEW!

AeroPress Premium Coffee Maker

We're making brewing coffee an art form with this premium version of our award-winning coffee maker. Crafted with the finest glass, aluminum and stainless steel, this easy-to-use and beautiful coffee maker will up your customers' brewing game!

WHY WE LOVE THE AEROPRESS PREMIUM:

- **PREMIUM MATERIALS** – Glass, stainless steel and aluminum make this coffee maker as beautiful as it is functional.
- **SMOOTH, GRIT-FREE COFFEE** - Rapid brewing eliminates bitterness and acidity while the filters remove the grit typically found in French presses.
- **FAST, EASY BREWING** - Just add coffee and water, stir, and press. Bonus: clean-up takes only a few seconds!
- **CUSTOMIZE YOUR CUP** - The AeroPress Premium can make up to 4 grit-free types of coffee: americano, latte, espresso, and cold brew. It brews one to three delicious shots of espresso style coffee with one press, or if you prefer to brew your coffee by pushing all the water through the grounds, you can brew one 10 oz. serving of coffee or cold brew.

FREQUENTLY ASKED QUESTIONS:

- ***What is the difference between the AeroPress Premium and the AeroPress Original?***
The AeroPress Premium uses the same breakthrough technology as the AeroPress Original. As the only coffee maker on the market that combines the best of 3 brew techniques into one simple to use press, you get uniquely delicious, grit free flavor. Create Americano, espresso style, latte or cold brew tailored to your taste in 1-2 minutes. So what makes the AeroPress Premium different? It is made from glass, stainless steel, and aluminum. The AeroPress Original is tinted grey and is made from polypropylene, which is cloudier in appearance.
- ***What is the capacity of the AeroPress Premium?***
The AeroPress Premium brews one to three shots of espresso style coffee with one press. If you prefer to brew your coffee by pushing all the water through the grounds, you can brew one 10 oz. serving of coffee or cold brew.
- ***What kinds of coffee drinks can be made with the AeroPress Premium?***
The AeroPress Premium can make espresso style coffee, americano, latte, cappuccino, cold brew, and more.
- ***What grind size works best with the AeroPress Premium?***
For the best brewing experience, use a medium-fine grind size, shake to level the bed of coffee grounds before pouring in the water, and pour the water slowly.
- ***Is AeroPress sold worldwide?***
Yes, AeroPress is loved by baristas and coffee consumers worldwide in over 60 countries (45k+ five star reviews online).
