

GLOBE ENTERPRISES

value & design

Our Story

Globe Enterprises was established in 1972 and is a pioneer in Home Furnishing products from India. Globe has won many awards for outstanding Export performance. Globe has given the world the best of Indian Home furnishing products to suit their changing lifestyles for more than four decades.

While continuing our role of serving the weavers of India, we endeavour to contribute in creating a Home environment that reflects each consumer's lifestyle, sense of heritage and personality. With aggressive market and product development on the anvil, Globe continues to adhere to its basic business objective of providing quality service and value added products at reasonable prices.

Sustainability

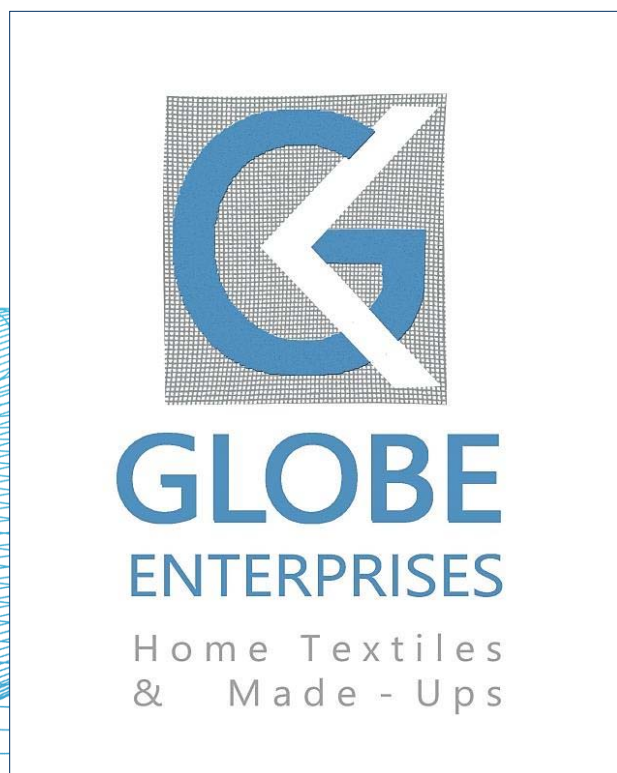

The ethos of Globe Enterprises is to produce textiles that are eco – friendly and sustainable. We produce Made-ups that are made of natural fibers (Cotton, Linen, Jute). These textiles do not impact the environment and can be recycled to create newer textiles.

Initiatives

- Recycled and upcycled fabrics
- Range of products with recycled yarn
- Products with organic cotton
- Recycled packaging
- Solar energy
- Rainwater harvesting
