

Qayyum Exports

inspired ideas for inspired rugs

About Us

Qayyum Exports (QE), is a family-owned company engaged in the manufacture and export of Hand Knotted Wool Rugs, Hand Woven Wool Flatweaves, Hand Tufted Rugs, Hand Woven Cotton Rugs Hand Made Leather Rugs & Accessories. We maintain permanent physical facilities at Station Road, Bhadohi-221401 Uttar Pradesh, India.

We retain a strong focus on R&D and innovation and have a wideranging product portfolio aimed at the volume markets in Europe, North America, South America, the Middle East and the Far East. We have significant production capabilities to meet the requirements of said volume markets. We cater to a wide variety of importers, distributors, wholesalers, retail chain stores, mail order businesses, online stores, & hospitality projects.

We aim to continuously optimize our products and processes, safety of our work environment, and technical skills of the various stakeholders in our organization through training, technological upgrades and customer feedback.

We believe in compliance to defined standards of social welfare, human rights and environmental protection, and follow a code of conduct to ensure that individuals involved with the manufacture of our products do so in safe and healthy working conditions, and are treated with dignity and respect. We are committed to the communities where we live and work and in creating a sustainable work environment. To this effect we have established Integrated Management Systems and best work practices to ensure consistent product quality, high employee productivity and morale, safe work conditions and a work culture of environmental consciousness.

PRODUCTS

Hand Knotted

Our Hand knotted rugs are crafted by seasoned master artisans who use the finest materials to create a truly magnificent, hand crafted work of art. Time honored motifs become artfully reinterpreted for 21st century living through sophisticated patterns infused with rich, contemporary palettes to create the heirloom pieces of tomorrow.

Hand Tufted

The resulting combination of excellent materials and craftsmanship is a rug that will burst with inviting color and grace on any surface, in any environment. Available in an eclectic range of Traditional, Transitional and Contemporary styles.

Flatweave

Hand woven Flatweaves have a simple, flat, hand-woven construction, which lends it loads of priceless charm and resilience. The effortless style of Flatweaves brings beauty and economy together comfortably and is sure to satiate all senses.

Loom Knotted

The tactile simplicity of the shuttle broad handloom encourages experimentations with color and design. The result is an assorted range of designs from the basic striped to the more intricate geometric designs on soft pure wool. Available in both Pile rug and Flatweave variants.

Cotton

Modern, stylish, and vibrant, QE cotton rugs are a benchmark in affordable aestheticism, practicality and durability. Woven by experienced artisans of 100% robust natural organic cotton, these rugs add exciting imagination to your room and a brand-new interpretation to your décor. We offer them in a myriad of colors and styles from stripes, braids, solids, and florals.

Cowhide Leather

Our expertly tanned and cured Cowhide Leather rugs undergo rigorous selection and sorting in order to meet our exacting requirements. We work with only the best tanneries that meet our exacting quality standards so you can be sure of getting excellent quality with every rug.

PET Rugs

Our Indoor / Outdoor PET rugs are woven from eco-friendly Recycled PET yarn that is made from recycled plastic bottles. These rugs are durable, UV-treated for fade resistance and have soft, wool-like texture. They are also equally suited for indoor and outdoor spaces and are easily washable.

Certifications

ISO 9001:2015

The Quality Management System implemented by us helps us to maintain a consistent level of quality, which eventually translates into better customer satisfaction and customer retention. Quality consciousness is woven deeply into the fabric of our company, and we have long believed that quality endures and it shows.

ISO 14001: 2015

Our goal is to make significant improvements in the area of sustainability and environmental responsibility for our stakeholders. We plan for the future, while accepting the urgency of today. We are committed to the communities where we live and work and in creating a sustainable work environment. In line with these principles, we strive to encourage continuous improvement in all areas of environmental stewardship - responsible use of raw materials and natural resources, design processes and operations of all facilities, to reduce the impact of our activities on the environment.

SA 8000: 2008 & OHSAS 18001

We place great value on our Human Capital - our relationships with our customers, employees and suppliers. Their well being is an underlying core value for all our operations. We ensure that individuals involved with the manufacture of our products do so in safe and healthy working conditions, and are treated with dignity and respect.
