**Skinnatur /**

**a contemporary brand in natural placemats,  
coasters and napkin holders**

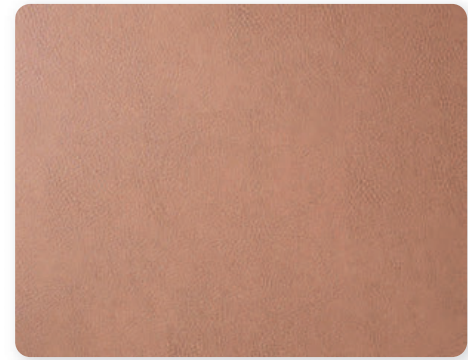

Skinnatur is born from the desire to participate  
in the global challenge to protect our planet.

Made with leather 'left-overs', Skinnatur uses  
the resources of mother earth in a sustainable way.  
It consists of 80% recycled leather and  
20% rubber of natural origin.

Skinnatur is proudly made in Europe  
in a socially responsible way.

Enjoy this piece of art on your table.  
Everyday or on special occasions.
