THE BRAND

LE COQ PORCELAINÉ's project comes to reality in 2019, when the brand is acquired by ILSA s.r.l.

From here the company embarks on a new itinerary of designing and developing high performance products intended for the Ho.Re.Ca. and banqueting world.

The brand was created during the 80's in Florence, the beating heart of the Italian culture, cradle of the Renaissance and one of the most exquisite art cities in the world.
