- _optimal resistance to rust and corrosion

Details of quality

- _Steel thickness of 1.2 mm guarantees strength, of the product
- _Stainless steel cast handles, hand polished

Technology

- _Triple bottom applied with the impact-bonding method assures a perfect anchorage of the bottom to the body of the pot. Suitable for all heat sources, including induction.

My Lady has been honored with prestigious international design awards (Red Dot Design Award 2004, Good Design Award 2004, Designpreis Nominee 2005):

Piemonte Torino
Design Mostra
2006

Claudio Bellini lives and works in Milan where he was born in 1963. In 1990 he graduated in Architecture and Industrial Design at Milan Politecnico. He followed his famous father's footsteps: he worked in Mario Bellini's studio for several years and in 1996 he founded his own studio "Atelier Bellini". Today Claudio Bellini Design + Design is recognized as one of the most influential European studios. It is active in various fields of design ranging from architecture to furniture and design products and collaborates with many leading companies worldwide. Since 2003 he is Art Director of Barazzoni.
