

Cut Box

French fries and vegetable cutter

- Multifunctional, it allows you to quickly and safely cut fruit and vegetables in different ways thanks to the 3 interchangeable grids :

- 1. 0.6cm x 0.6cm: ideal for thin-cut fries.
- 2. 0.9cm x 0.9cm: ideal for French fries or other vegetable sticks.
- 3. cutting grid sixths : ideal for potatoes and citrus fruits.

- Simply place the food on the grid and press it through the extremely sharp blades with the pusher - done.
