A WARM

# Welcome FROM...

*the House of Stationery*

by TMS International B.V.

It is our pleasure to introduce you to our beautiful new everyday collections.

The innovative concepts are an exquisite combination of the latest printing techniques and distinctive designs with glamorous finishings. The magnificent Dune concept suits as design or just as product with your design to the worldwide trends.

## *Dune - A touch of luxurious simplicity*

Made to fit the worldwide taste, our newest Dune collection is an innovative concept, keeping up with the latest lifestyle & fashion trends. Our team of international designers has created an elegant minimalistic look with soft, earthy tones that are complimented by luxurious finishings and embossing.

Our glamorous foiling and die-cut give a modern silhouette to your customized products. Whether you like the spark of golden edges on your agenda or the special curve of round corners, with our flexibility and creativeness we will meet all your needs.

## *A house full of stationery*

Together with this captivating collection, you can explore all our currently available products on our website. We welcome you to take a digital tour of our Virtual Gallery where you can find our full assortment in 3D.

# More ABOUT TMS

Tailor-Made Studios was founded in 1993 and we specialise in creating greeting cards, stationery and paper giftware. With our international team of designers we launch over 800 new designs every year. We continue to innovate in new techniques and materials, resulting in trendy exclusive collections which are sold in 40 countries worldwide.

All our products can be tailor made to our your specific wishes. Besides designing, developing and producing, it is possible to get DDP deliveries too.

## *Printing on paper is our passion*

Being a specialist in paper printing, cardboard products and 3D lenticular, we have established a solid base in China and Italy with our dedicated printers. With our technical experts and our own Quality Control team, we take care of your project all the way, from production to shipping.
