## Always on trend

We employ the best trend watchers who make sure you have the most popular bestsellers in your shop for the coming season - in the style that suits you and your customers.

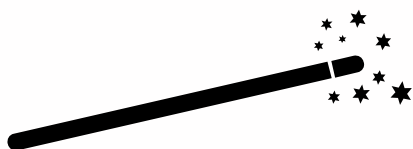

## Fast delivery

We keep a lot of items in stock, allowing us to deliver quickly. That way you never have to wait long for your favourite items.

## Family business

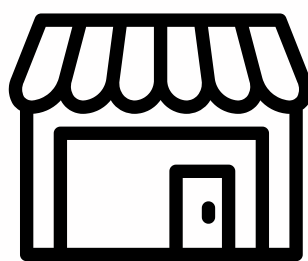

We are Kersten, a family business since 1969. What started way back when with some simple picture frames has grown into a comprehensive collection of more than 9,000 home decoration items. Presented in our 1200m2 showroom, in retail stores, and for sale in our online store.

## Anything is possible

We're here to help. Need a custom-made cushion or a hand with styling your shop? Anything is possible, we're here for you!

## More than 9,000 home accessories

Be inspired by more than 9,000 lifestyle products. Twice a year we present new themed collections. Make an appointment right now to visit our 1200m2 (virtual) showroom.

## We do it together!

We help our customers create the perfect experience in their own shops. And most importantly, we do it together, We'll help with everything, we're always there for you. Your success is our success.
