Our Packing

PET, Paper and tag pin.

Blade features

The Knife-blades are in finest High carbon stainless steel, perfectly heat treated to give them a Hardness of 55 +/-1 HRC(Rockwell C). The full tang blade gives the knife strength, stability, and balance.

Handle material

Pressed wood - non-toxic, dish-washer safe. Great ergonomic and elegant design of the knife.

POM (Polyacetal) - non-toxic, absolutely hygienic and dish-washer safe.
