

## DISCBOUND SYSTEM:

### MOVE & REMOVE PAGES AND ACCESSORIES

The CARCHIVO INGENIOX® notebooks and planners have binding system using removable discs, pages, and accessories to quickly and easily customise and organise notes, drawings, and diary entries.

Planners are available in A5 size and notebooks both A4 and A5.

All made with strong polypropylene covers and high quality 100g FSC certified OPAQUE PREMIUM paper.

CARCHIVO INGENIOX® collection also offers several accessories to customize the product since dividers or bookmarks to different kinds of paper or sticky notes, suitable both for our notebooks or planners.

## DESIGN

Minimalist and practical design that allows optimal organization and customization. Let yourself be surprised by every detail.

## 100% RECYCLABLE MATERIALS

Our products are totally recyclable and sustainable.

## MADE IN SPAIN

Let CARCHIVO INGENIOX® quality reach your hands. Our products are Made in Spain using European materials.
