ABOUT US

Shing Fat is a Hong Kong based manufacturer and exporter of wide range of artificial plants and Christmas decorations. With high quality, reasonable prices and creative designs of products, we have successfully expanded into the global market. As our products are widely recognized and trusted by customers, we have grown to become one of the top-tier providers of artificial plants in the region. Our showrooms are located in Hong Kong and Ningbo. Thousands of our products are showcased at the showroom for both new and existing customers. We welcome customers from all walks of life to contact us for future business relationships and mutual success!

In order to meet the rapidly changing market and social needs, our product design team has committed to develop at least 50 new items each month.

We have more than 30 years of market experience. Our services are catered to the client's needs and requirements. We have grown to become one of the top-tier providers of Christmas decorations and artificial plants.

We have developed strong connections with capable and trustworthy environmental friendly material suppliers. Regular inspections and screening are conducted to ensure the sourcing quality.

Our mission is to provide best products by offering client-focused, high quality, dependable services resulting in outstanding value for our customers.

OUR FACTORY

Our factory is located in Beilun, Ningbo City, Zhejiang.
With a total area of 20,000 square meters, and more than 200 workers, our daily capacity has reached 2x40'HQ.

Our factory is audited by several 3rd parties including SGS, BSCI, NOA etc. Our worker's health and safety is always our top priority, we would do our best to comply with all the related rules and regulations in order to maintain a safety working environment.

We have also set up completed policy and procedure on social accountability. In addition, complete BSCI management system is established with internal audit was conducted regularly.
