# BRIEF HISTORY

# PRODUCT & SERVICE ➤

# TRENDY COLLECTION FOR THE HOME

[See collection](#)

**Every year, we develop a collection of decorative ceramics that offers innovative designs and one-of-a kind decorations.**

**TRENDY**

Resulting from an accurate interpretation of the main international trends;

**VERSATILE  
AND WIDE**

Designed to entice multiple tastes (multicultural, multi-seasonal, multifunctional);

(Most importantly)  
**FLEXIBLE AND  
CUSTOMIZABLE.**

# ONE PIECE, A THOUSAND OPTIONS.

Our skills and know-how allow the customization of any of our designs according to your needs and goals.

**Classy? Casual? Sophisticated?  
Exclusive?**

Mastering the many ceramic techniques, from hand painting to the application of different types of glazes and lusters, any final appearance is possible.

# EXCLUSIVE PRODUCTS MANUFACTURE

[Learn more](#)

**Our team is skilled to produce almost any ceramics bespoke project tailored to your needs.**

Arfai gathers the **experience, the skills and the expert know-how** in ceramics manufacture that allow the production of almost anything in ceramics.

**Bring us your project, and we make it real.**

# ASSURING

**OVERCOMING CHALLENGES** our team accepts any challenge, studying the feasibility of any design.

**EXPERT FOLLOW-UP** our team of experts continuously tracks every step involved.

**HIGH QUALITY STANDARDS** by having most tasks inhouse and controlling every step of the production process we guarantee high quality results.

**COMMITMENT** we bind to deadlines, order/product's specifications to meet all expectations and deliver complete satisfaction.

# INDUSTRIAL CRAFTSHIP

The manufacture of a ceramics piece implies a phased and manual process, where a great deal of time and effort is developed by hand:

**A crafting process that requires mostly coddling and care.**

A talented and experienced team, together with an efficient production planning that implies **quality control in each stage**, are the key critical factors are the key factors in ensuring Arfai's outstanding results.

# TESTIMONIALS

“

Arfai has proven to be a reliable partner in terms of **quality supplied and respect for the commitments accepted**, having the ability to execute almost any exclusive project we may need on a professional way.”

- Japser Holst Schmidt, CEO at Kähler Design - Denmark

“

It is very satisfying to have a supplier such as Arfai who inform us of exactly what they can do, when they can do it and how. Although we have only been working with Arfai for a couple of seasons the response we have had from all sectors of business, design, production, dispatch and documentation have all been exemplary.”

- David Jackson, Sole Agent at Global Views - USA

# SUSTAINABILITY

# SUSTAINABILITY

## Do you care about where your ceramics come from?

Consumers want to know where products come from, how and under which conditions they are made. If this is the time for your business to be transparent, know that having us as your supplier means that there is nothing to hide: the story behind your ceramics is safe with us.

[Learn more](#)

Investing in renewable energy

Primary raw material: it's clay - a natural and durable

Waste handling procedure to reduce waste

Inclusion and Equality: integration of disabling workers

Recycling and reusing water at internal WWTP

Working with local raw materials

Installation of dust extraction and treatment system

FSC certified cardboard

Social ethics: a commitment towards people
