

Marvel Fragrances Company

We Smell Good

COMPANY PROFILE

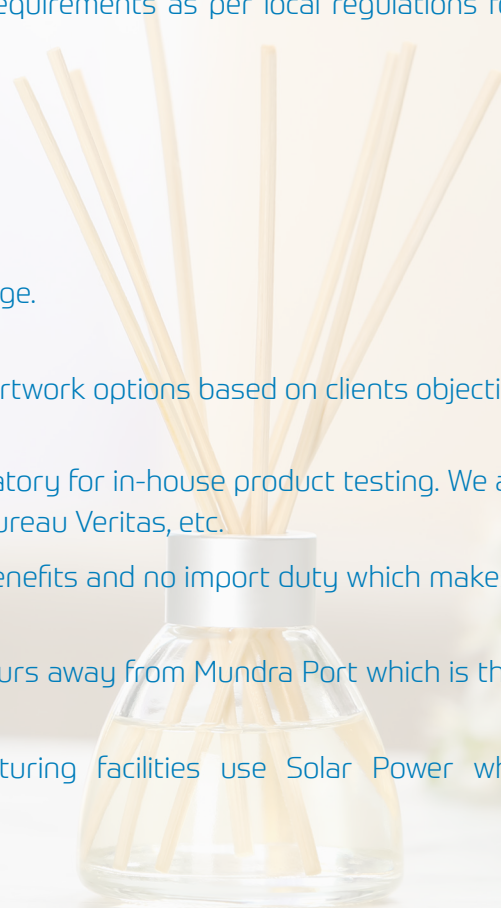

About Us

We are a family owned business that manufactures private label candles, incense, fragrance oils and diffusers. Our head office is based in Mumbai and our manufacturing facilities are located at Kandla Special Economic Zone in Gujarat. MFC team is a dynamic mix of youthful exuberance and rich experience since 1958. Our manufacturing facilities in India total over 120,000 sq. ft.

Why Marvel Fragrances Company?

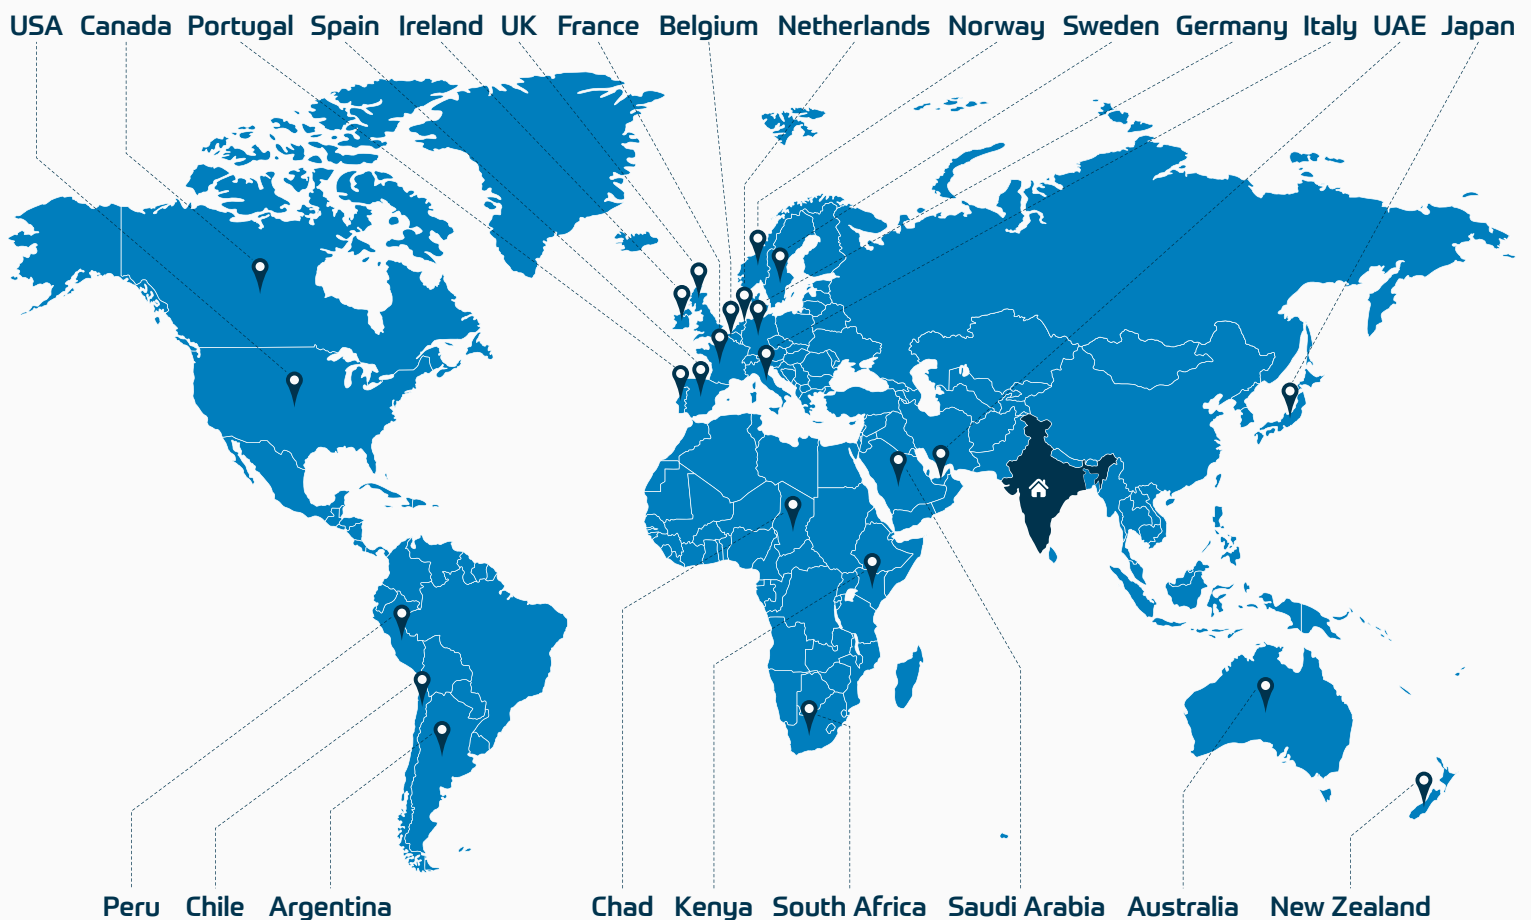

- 1 Our manufacturing facilities meet all compliance requirements as per local regulations for labour safety, wages and welfare.
- 2 Strict no child labour policy.
- 3 We are BSCI, Sedex, WCA, GSV and SQP compliant.
- 4 Short production lines and a diversified product range.
- 5 We have an in-house design team that can create artwork options based on clients objectives.
- 6 Our manufacturing facility is equipped with a laboratory for in-house product testing. We also work with 3rd party testing agencies like SGS, Intertek, Bureau Veritas, etc.
- 7 We are located in an SEZ which entitles us to tax benefits and no import duty which makes us very competitive to global competition.
- 8 Our manufacturing facilities are located under 2 hours away from Mundra Port which is the largest private port in India.
- 9 We care about the environment. Our manufacturing facilities use Solar Power which was commissioned in 2017.

Our Customers

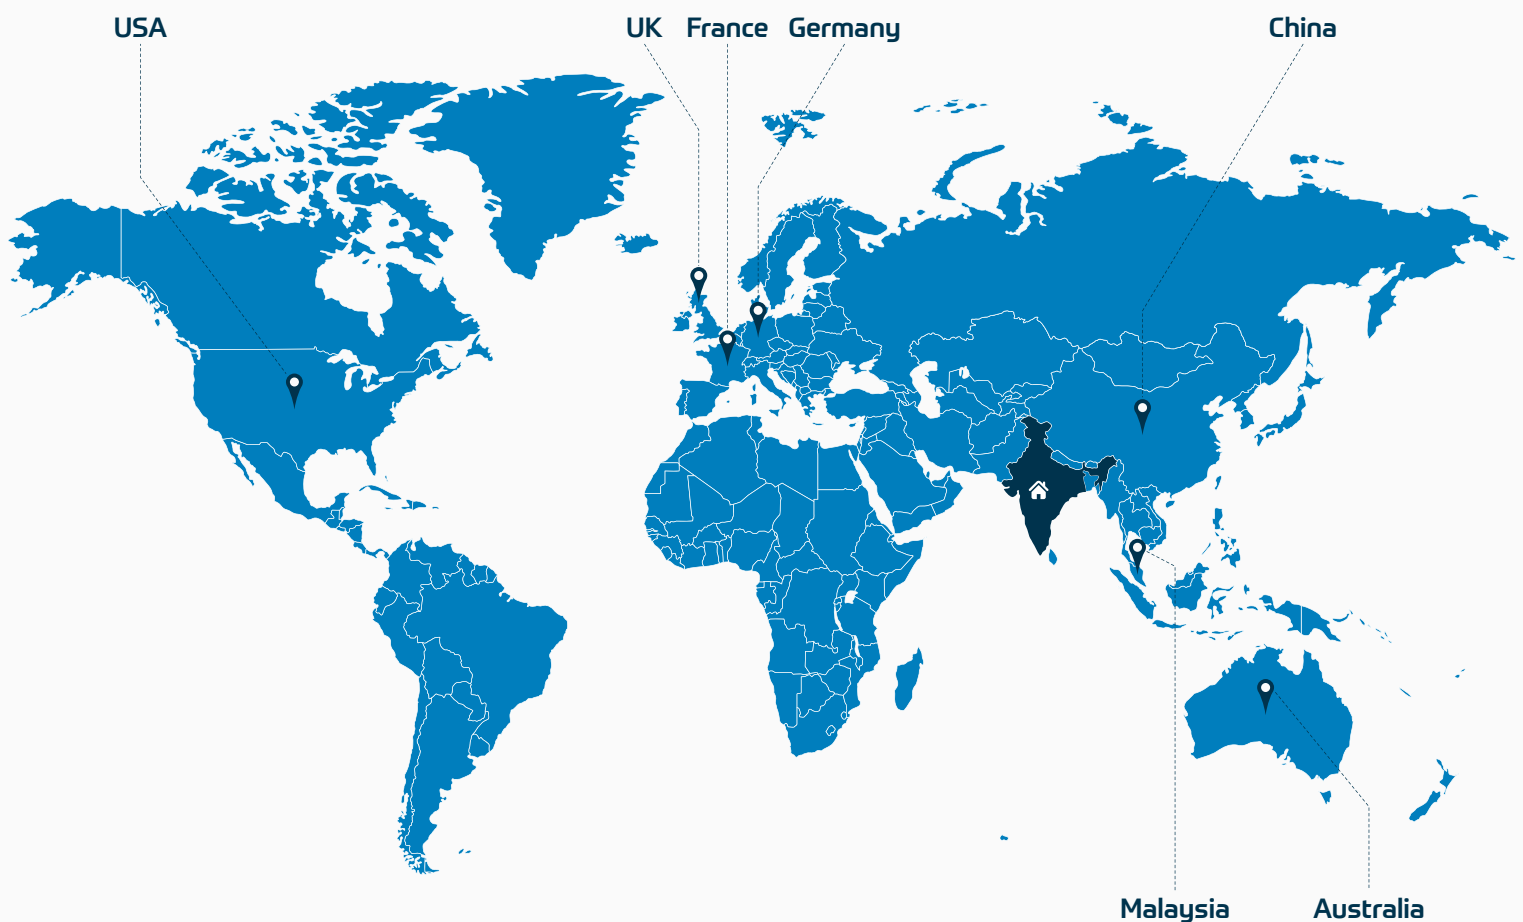

We are blessed with a wide variety of customers from all over the world. We currently work with importers, small retail stores and large multinational retail corporations from over 30 countries.

Raw Materials & Suppliers

Being located in a SEZ allows us to import duty-free. This is a major advantage as it allows us to use raw materials from all over the world while remaining competitive to global competition. We offer our customers paraffin, palm, soy, coconut and stearin waxes which are sourced from India and other parts of the world. This helps us cover all quality grades and price points. Wicks are sourced for Germany and USA from manufacturers that are well reputed in the industry for their quality and reliability. Fragrances are sourced from India as well as France, UK, USA and Australia. Containers and packaging are sourced locally from India. Color and additives are sourced from Germany.
