# PREMIUM STEEL DLX

All Swiss Diamond Premium Steel DLX products are constructed of high quality stainless steel. Swiss Diamond Premium Steel DLX features an industry leading extra thick impact bonded and induction compatible encapsulated base. The encapsulated base contains a specialized aluminum alloy that allows the heat to spread evenly across the bottom of the cookware thus eliminating hot spots.

Premium Steel DLX is a healthy and hygienic cookware range that you will enjoy using every day.

- +** Durable design and construction
- +** Compatible cooktops: Induction, Gas, Electric
- +** High quality stainless steel body, an impact bonded encapsulated base on aluminium core and a full mirror-polish-finish exterior
- +** Stainless steel ergonomic handles
- +** Oven safe up to 260°C/500°F
- +** Perfectly flat base for even heat distribution
- +** See-through tempered glass lids
- +** Dishwasher safe
- +** Limited Lifetime Warranty covering manufacturing defects
- +** Designed in Switzerland, manufactured with Swiss Diamond's rigorous standards in P.R.C
