

7+12x25 Litre Storage Tower

8 x 7 Litre Storage Tower

5 x 12 Litre Storage Tower

8 x 9.5 Litre Storage Tower

Recycled Range

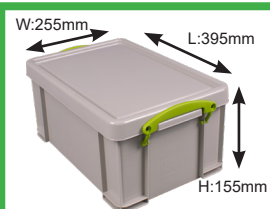

We are proud to launch the Really Useful Boxes Recycled Range, made from 100% recycled plastic. To make the range, we use regrind material from boxes that don't pass our quality control and add colourant for our signature dove grey colour. The green handles make these boxes stand out and the two colours give the range an earthy look.

These boxes are the same high quality as our regular boxes with key environmental benefits.
