# Prologue to Progress

*“We don’t just make writing instruments. We set industry benchmarks.”*

## **"Making a million write every day"**

Supra pens are built to deliver the ultimate writing experience with a wide range of functionality and design. That’s because, at Supra, quality wasn’t achieved by accident, one fine day. It is a result of years of research, unyielding passion, sincere efforts and skilful execution.

With affordability, accessibility and inclusivity at the centre of all our efforts, our vision is to craft the best writing instrument. And while doing so, we aim to make world-class Swiss Technology available for people, irrespective of their social and economic standing. All in all, we believe in empowering every hand with a baton of excellence, crafting a bright future for the country, one word at a time.
