

The Pioneer of Innovation...

**2023
Catalogue**

OMS, founded in 1976 to produce long-lasting kitchen appliances out of stainless steel raw material. Since its inception, continuous growth was adopted as principle. In parallel with this purpose, large part of goods, which are produced in the manufacturing site in Istanbul, were started to export throughout the world.

Thus, OMS products went beyond Turkey and proved its existing quality with its enviable exportation to numerous world countries. Presently, OMS products are being exported up to 90 countries. Annual production capacity reached up to 5.000.000 pcs throughout the corporation and with regards to product renewal, constant and solid r&d practices are currently undertaken as vital activity.

The company, that employs upwards of 500 professionals, is located on 108.000 m² facilities which consists of 45.000 m² indoors production area. In consequence of longstanding and everlasting developments, OMS keeps pace with cutting edge technology and modern-day innovations and makes indelible impression with its wide product range.

By year of 2013, OMS has been started to extend its capacity of new production line. Along with stainless steel kitchen appliances, non-stick ceramics and teflon pans and moreover by the end of 2014, stone-coated (granite) non-stick pans and frying-pans were started to manufacture. In conjunction with aforesaid two brand-new sectors, whose monthly output is 300.000 pcs, our present leading of innovation is reached record level. As the one and only producer of double-sided multi functional grill pan in Turkey, O.M.S. keeps providing services with its innovation for kitchenware sector in this decade as well.
