We Welcome You

A message from our CEO

"As I look at the growth over the years since our inception in 1999 I am extremely proud of what we have achieved, and even more excited about our outlook for an equally promising future. We have successfully transitioned from a small soft- furnishing exports start-up to become a respected firm, garnering business from across the globe, while earning our clients' trust along the way.

It is satisfying to know that we are able to holistically help our clients with beautiful qualitative innovative products that help them create homes, connect with customers and operate pivotal aspects of their business more easily and effectively. Customer satisfaction is the hallmark by which we measure our performance, and we hold ourselves, as do our clients, to the highest standards of quality.

In this continually evolving marketplace, our clients are more informed than ever about their market options. Even so, they continue to select Trishulin Overseas as their partner of choice because of our experience, commitment to quality and integrity.

I hope you will too."
