## Message From The Managing Director

It is my pleasure to present to you the developments of our brand Classic Essentials.

Since 1987, from a small beginning to a leading manufacturer in stainless steel kitchenware products catering to a wide set of customer segment is a dream come true for all of us.

We believe in forward thinking, innovation and a constant developments which helped us to achieve customer mind share. We relied on our in-depth knowledge of the local market, and the ability to forecast and respond to customer expectations, which helped us to achieve customer loyalty and respect.

Another reason for our success over these years were our core values imbibed fiercely in to our team which has not only helped us to shape our destiny, but also have reposed our customers faith in us. Over these years we have been recognized for our work and developed one of the leading brands in the stainless steel industry in India with strong consumer recognition.

Today, it will not be wrong to say that all our BRANDS CLASSIC ESSENTIALS, SN INOX, SNB Stainless steel has created impact in consumer mind space. We maintain consistency in the quality of our products throughout these years. This is an extra edge to be different from the competitors. Every product is thoroughly checked as per defined standards to ensure its quality and finish at all stages of production.

SNB Group is constantly innovating and developing new product ranges and refining the existing ones, developing existing sectors and maximizing every opportunity in the markets.

On occasion of the launch of its New Catalogue of 2019, I would like to convey my deepest gratitude to our suppliers, distributors, employees, customers & our well wishers. We look forward for their continuous support to fulfill our vision of "Creating Happy Kitchens"

Best wishes,  
Nikhil Bansal

#### Features of Encapsulated Cookware

There are a few reasons why some consider an encapsulated base to be an essential cookware feature.

This applies to pots and pans, as well as skillets, woks or frypans.

Cooking implements with an encapsulated base will

- Have enhanced cooking performance
- Have less hot spots especially when cooking pasta and delicate sauces
- Have a better and more even heat distribution
- Have improved heat retention

#### Suitable for use on the following hob types:

Induction

Solid hot plate

Ceramic

Gas

Radiant ring

Electric
