Company Profile

Keeping with our stainless products we always have kept our brand name as stainless as our steel.

Manek Kitchenware has found its way into the kitchens world over through dedication and hard work to maintain quality and standard.

Though we have a very wide range of products, we also cater to our customer's exclusive needs and requirements since 1982. Over a period 38 years we have acquired a complete infrastructure to manufacture stainless steel products, which match any of the international brands.

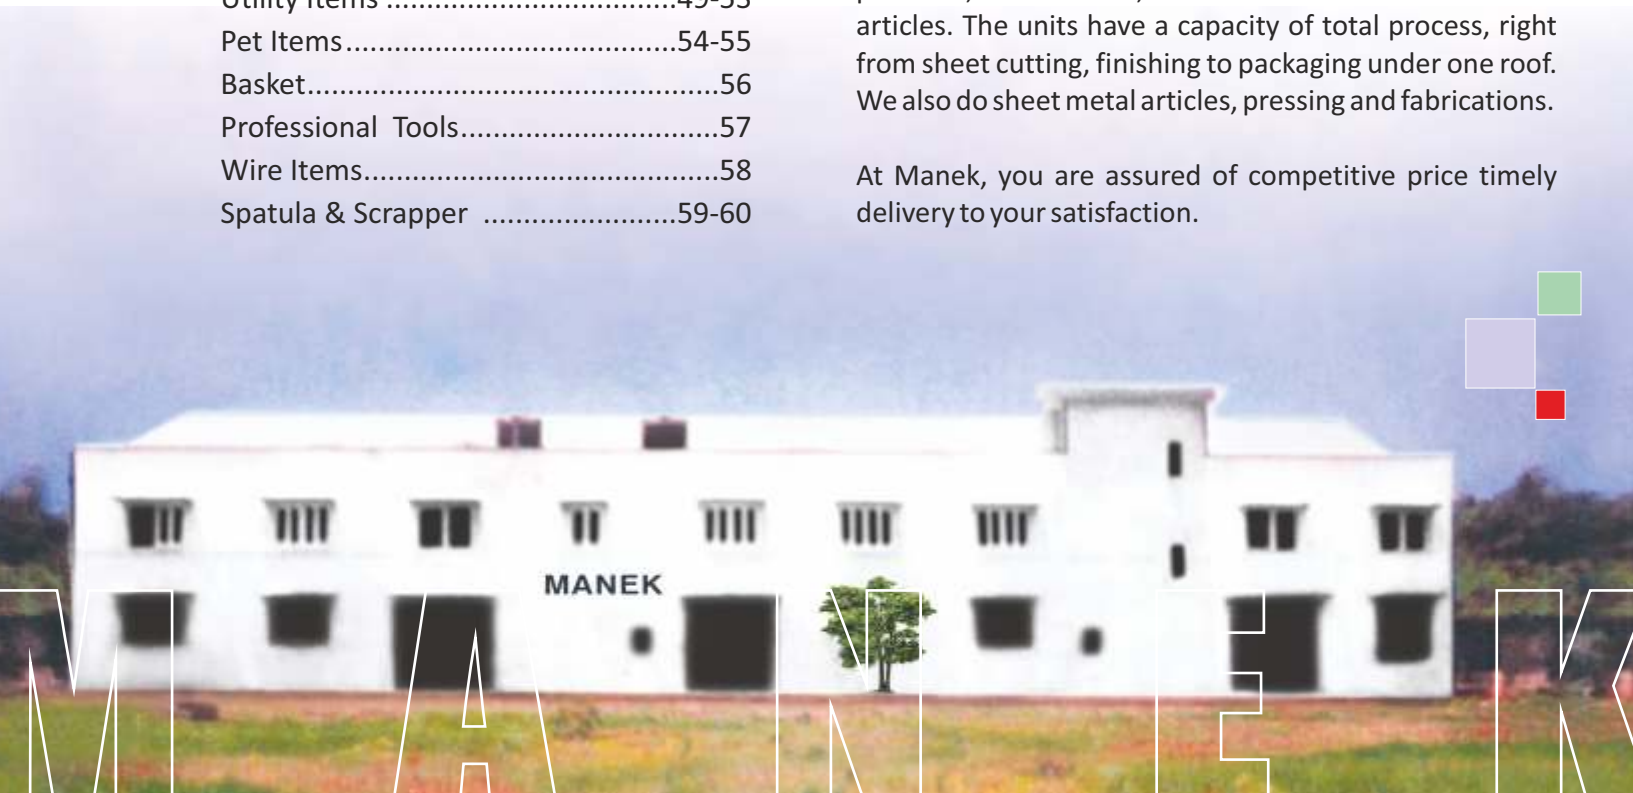

Our company has been awarded with the Highest Export Award & Best Design Award by The All India Stainless Steel Industries Association.

We have even received the Regional Certificate of Export Excellence from The Engineering Export Promotion Council in the category of other steel Products. We have been recognized as an Export House from the Government of India.

Our factory is certified with SEDEX audit 

Our factories are situated in Dahanu spread over an area of 15000 sq. meters with ample space for further expansion. The plants are equipped with the most modern machineries to manufacture stainless steel utensils, cutlery, bar accessories, bath accessories, pet products, kitchenware, hotelware and other household articles. The units have a capacity of total process, right from sheet cutting, finishing to packaging under one roof. We also do sheet metal articles, pressing and fabrications.

At Manek, you are assured of competitive price timely delivery to your satisfaction.
