## Fakir Premium Chefry: Kitchen's new chef.

### Shake food mode

To have the same cooking consistency and taste over the whole meal, Fakir Premium Chefry reminds you to mix the cooking basket.

### 6 cooking programs

It ensures that every flavor reaches its most perfect form with 6 different cooking options for different foods and tastes.

### Synchronized finish mode

It has a termination feature with its synchronized cooking that ensures foods cooked at different times in two chambers are presentable at the same time.

### Double Chamber

Fakir Premium Chefry's double chamber gives you a huge cooking capacity. It also gives the opportunity to prepare two different flavors at the same time.

### Fruit and vegetable drying

In addition to skills in cooking, you can choose special program to dry vegetables and fruits.

## With Fakir Premium Chefry, the rules have changed: The healthy ones are now delicious as well.

### 8.5 Lt frying chamber capacity

Fakir Premium Chefry, with its two chamber and 8.5-liter capacity in total offers a cooking capacity. It is possible to cook the same food in both chambers and give the same taste to everyone at the crowded tables.

Cook the food and give the same taste to everyone at the crowded tables. Or with 6 cooking and 3 functional cooking programs You can use the two chambers to prepare different flavors.
