# Asian Design House Co. Ltd

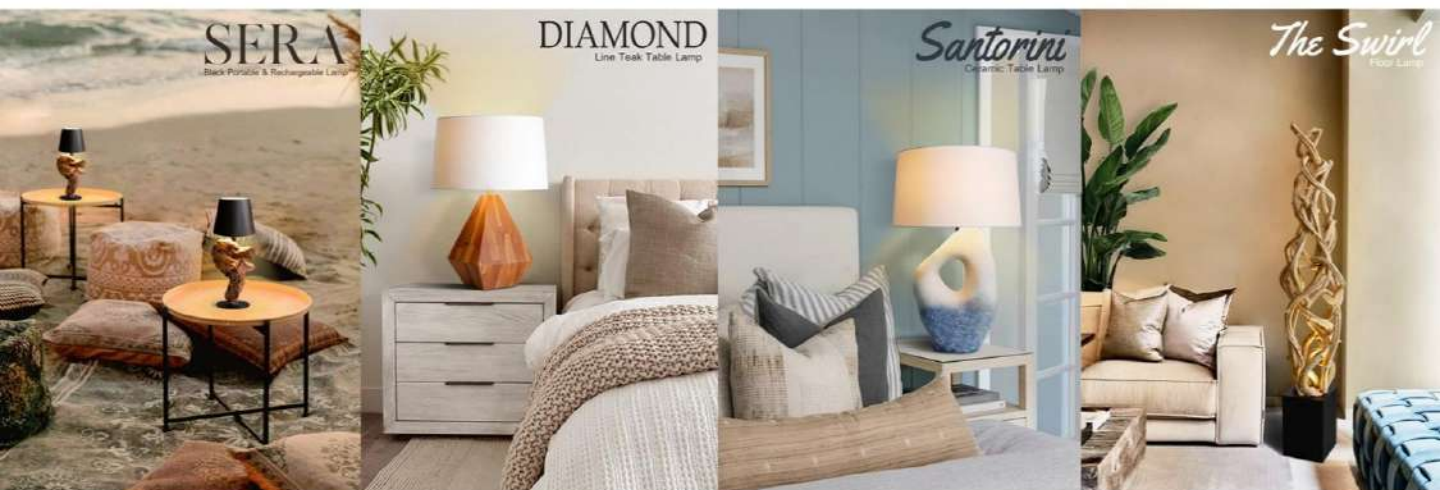

## Our Story

Asian Design House Co., Ltd was established in 2004 with the mission to deliver distinctive decorative lightings and decorative products with outstanding quality at the affordable price worldwide.

Our core value and competency have always been to make the best use of natural resources and turn them into a modern product with the reflection of its core beauty - mother nature.

We target the use of natural resources in Thailand in the most sustainable way possible.

In 2006, we began to manufacture and promote wooden lamps inspired by shapes of nature. We are now into the 15th year of our journey, the company has grown substantially with increasing interest from international clients and partners who appreciate mother nature like we do. Now we are serving clientele from more than 50 countries around the world.

**Asian Design House** is led by Korakot Ekthanutt or Bow. Bow was born in Thailand with many years of international experiences in Singapore, UK and Denmark. Bow is passionate in arts, the work of design and she has always wanted to be in this business. Moving back to Thailand has made Bow realize that her birth nation has immense natural resources and handicraft products to offer, leading to the journey of the establishment of the **Asian Design House Co., Ltd** and **O'THENTIQUE** brand!

## O'THENTIQUE Brand

All our products are marketed under our brand, O'THENTIQUE. Starting with the iconic image of Nature's Fingerprint reflecting a groundbreaking mixture of tradition and innovation.

**O'THENTIQUE** has 3 fundamental values which are synonymous with the concept of our products :

1. **Sustainability** - the use of natural and recyclable materials.
2. **Distinctive Design** - reflect natural beauty with contemporary design.
3. **Mastering craftsmanship** - use traditional and authentic ways in crafting to reflect nature true beauty.

We ensure highest quality of craftsmanship on all our lamps, each is skillfully crafted to reflect its true uniqueness.

Driftwood

Fence Poles

Monkey Vines

Acacia wood slice

Biscuit ceramic

## Our products

**O'THENTIQUE** natural wooden lamps are inspired by Asian's tropical nature. The lamps are made from naturally shaped wooden vines, roots, tree trunks and branches, so we bring home for you mother nature from Thailand.

We beautified pieces of natural roots, tree trunks, tree branches and wooden vines by washing, sanding and treating all aspects of the masterpiece to reveal the remarkable texture and beauty underneath. With skilled craftsmanship, the pieces of wood are assembled together to create one of a kind wooden table lamps, floor lamps and chandeliers.

We also ensure that our product is safe at your home, all our lamps are **CE, ROHS, UL** and **CUL** compliant.

# Our Showroom

Our factory and showroom locate just 40 km from the center of Bangkok. We provide transfers to and from your hotel or airport. This where all the wonderful lamps are designed, created and beautified. We are more than delightful to welcome you to our showroom and factory, we would like you to see and also to feel the masterpiece we are creating!

# Our Factory

## Our team

At the **Asian Design House Co., Ltd** and **O'THENTIQUE**, we begin our business with love, passion, dedication and commitment in bringing the best out of Thai natural resources and handcraft with a twist of modern design to our customers and business partners around the world-now with over 50 countries and looking to expand even further!

We have a team of young and driven professionals who strive to meet any demands of our customers and partners, the sky is the limit for our imagination!

We also have a solid and reliable quality control and logistic teams to make sure the quality and export process are well managed and the goods will arrive safe and sound at the client's doorstep.

Having served over 50 countries across all the continents, our English speaking team is well-trained to provide support and services to our world-wide clientele. Please feel free to contact us and we are here to help!

A detailed botanical illustration of various green leaves and ferns, including large broad leaves and delicate fern fronds, arranged around the central text. The leaves are rendered in different shades of green, from light to dark, with visible veins. A thin, light brown rectangular border frames the central text area.

# *Natural Wooden Lamps*

A detailed botanical illustration featuring various types of green leaves and fern fronds. The leaves are rendered in different shades of green, from light lime to deep forest green, with fine lines indicating veins and textures. They are arranged around the central text, creating a natural, frame-like effect. A thin, light orange rectangular border is positioned behind the text, further defining the central area.
