Vietnam First Stationery Co. Ltd is a 100% foreign Investment Company located at Vietnam-Singapore Industrial Park, Binh Duong Province, Vietnam. Founded in 2005, the company constantly produces premium quality of wooden pencils. Its products are exported to not less than 10 countries such as, USA, Turkey, Egypt, Brazil and etc. This geographic expansion and commitment to developing deep relationships with clients has driven the company's growth in recent years.

The production area of 12,000 meter square enables the company to focus on and specialized in making the finest quality of wooden pencils; comprehensive production line enables company to produce about 777, 600, 000 units of pencils annually. The company's ambition is to keep growing on production capacity, whilst reducing the environmental footprint by half, and thus, more sustainable for this business as a whole. It is believed that developing the business with environmental consciousness is the biggest competitive advantage of Vietnam First Stationery than others.

Awarded both ISO and FSC certifications since years ago, the quality of wooden pencils produced by a young company like Vietnam First Stationery is undoubtedly assured. Besides that, the company also gives a complete customer care service to all enquiries and problems their clients may encounter.
