as your own: instead look to your place,  
your land to find what's real."**

Chairman Shuter Enterprise

## Our Mission

We devote ourselves to the production of creative, innovative, and environmentally sustainable storage solutions for home, office, and industrial spaces, and guarantee total customer satisfaction in these products.

## Our Commitment

Shuter Enterprise Co. Ltd is dedicated to maintaining a management approach that is fully committed to upholding human rights and pursuing positive business practices. We actively create and maintain a cheerful work environment, treating each and every colleague like a family member. We extend this commitment to a good quality of life into the wider community through various charitable endeavors.

## Our Vision

We are determined to one day see SHUTER and livinbox listed among the world's top 100 brands. However, we never forget our Taiwanese roots, and proudly print the words "Made in Taiwan" on all of our products, no matter where our global ambitions take us.

We are from Taiwan

72.9 m

## Taiwania

Rukai :Wa driwru ki Dramare Ka angatu

*Taiwania*, with a single living species

*Taiwania cryptomerioides*, is a large coniferous tree in the cypress family. One of the largest tree species in the Asia region, the Taiwan cypress grows best in the towering central mountain ranges of the beautiful island of Taiwan.

With distinctive needle-like leaves and attractively scented wood, this endangered "living fossil" is as representative of the immense forests of the ancient world as the Chinese Metasequoia, Ginkgo biloba, and North American giant sequoia.

This culturally important tree is called *Wa driwru ki Dramare Ka angatu* in the language of Taiwan's indigenous Rukai people, which means "a tree touching the moon."

Chairman Yira Wu

## Our Story

Shuter Enterprise Co. Ltd, founder of the SHUTER and Livinbox storage solution brands, has always listened to the voice of our customers. We design products from the customer's point-of-view by finding the simplest way to build an ideal home for objects. We redefine the appearance and functionality of traditional storage systems, striking a balance between attractive exteriors and usable interiors.

Shuter has always been a company at the forefront of corporate responsibility in Taiwan, but in 2004, we really stepped up our game. We are proud of our "Made in Taiwan" label, and want to protect this beautiful island nation that has been our home since 1969. Today, we sponsor numerous local charities that focus on the sustainable management and preservation of Taiwan's abundant natural resources.

Shuter maintains a passionate work culture through leading management policies, a highly professional research and development team, and high quality, safety conscious production facilities. At Shuter, employees at every level are encouraged to think big.

In 2020, Shuter is celebrating it's 50th anniversary, becoming one of Taiwan's oldest companies still in operation. Within this time, we have developed from a shed in a parking lot in Taiwan to a globally active manufacturer with a number of highly respected storage sector brands. We are proud to say that Shuter has always been there for you.

## 6 major product lines

Total storage solutions for stationery, household, office, industry, 3C accessories, and healthcare

# Always Moving Forward

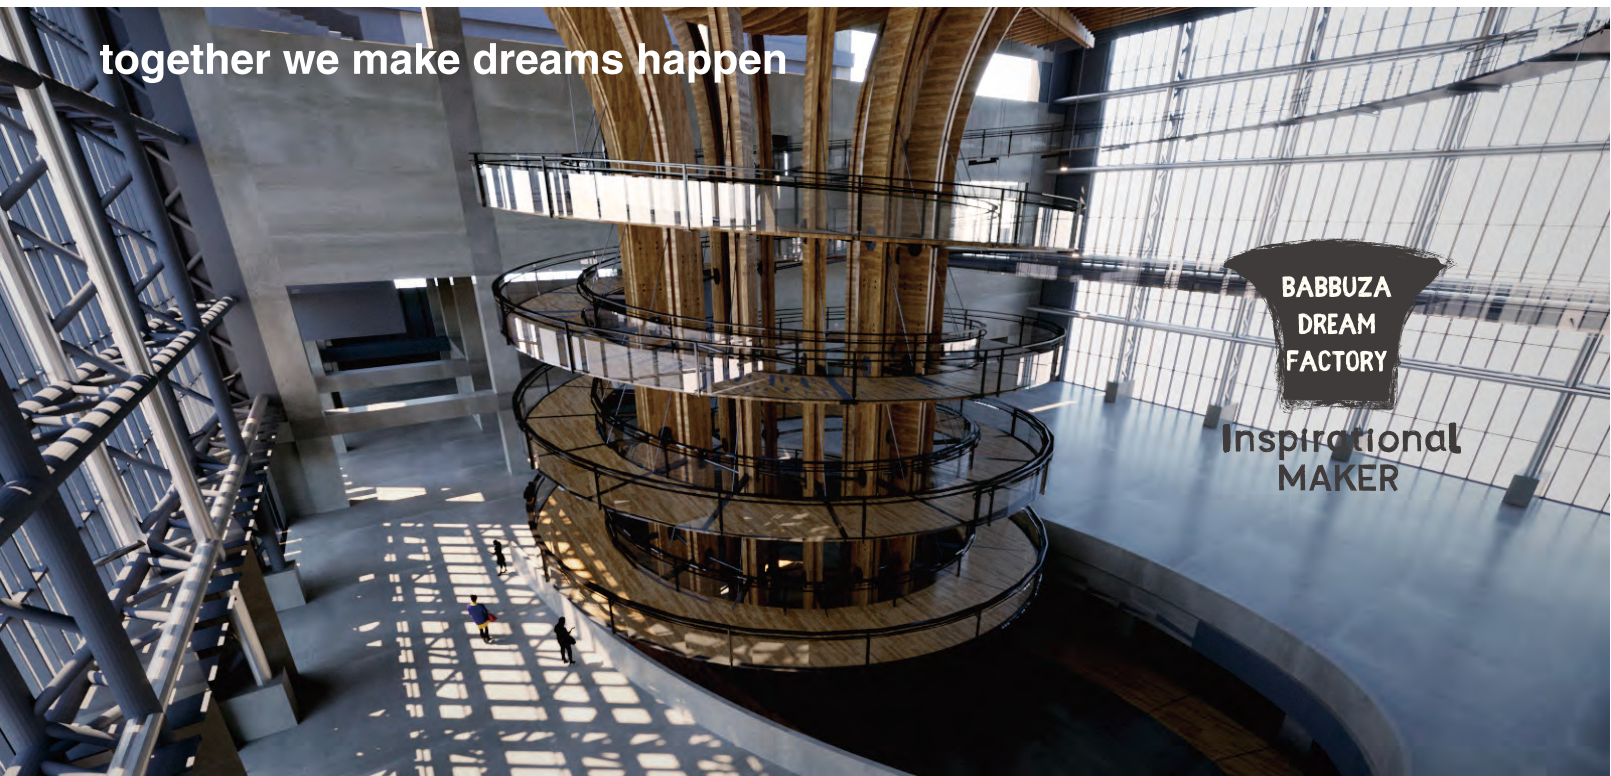

products crafted with care and competence

The next few years represent another big stride in Shuter history with the launch of the Shuter Babbuza Dreamfactory in Nantou, Taiwan. This state-of-the-art production plant will occupy a total area of more than 20,000 square meters and will produce over 800,000 items every month for the livinbox and SHUTER brands. To achieve this goal, Shuter will employ the most innovative manufacturing processes available, from in-house tool making and computer-aided design to precision folding, welding, and fully-automated injection molding and assembly machinery.

Looking back on half a century in the storage solutions business, we at Shuter are humbled by our past innovations and successes. As we look to the future, we are more determined than ever to continue to provide superior quality products to our customers in Taiwan and worldwide.

together we make dreams happen

## SHUTER Filing Cabinet

Get your office filing in order with this true SHUTER classic

Designed for efficiency, this classic SHUTER filing system is crafted from high quality, rust-resistant, powder-coated galvanized steel

- 100+ cabinet combinations
- Comes in opaque white or transparent black
- Optional detachable cabinet legs
- Digital lock available on request

### Better endurance

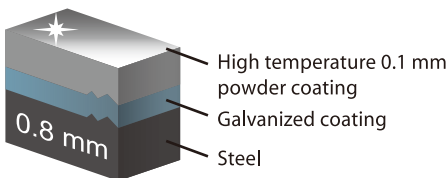

Made of powder-coated galvanized steel, which is 10 times less likely to rust than ungalvanized steel

### Environmentally friendly

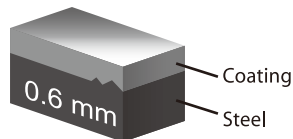

High temperature powder coating process limits VOC emissions

## Specifications

**SHUTER steel: 0.8 mm thick**

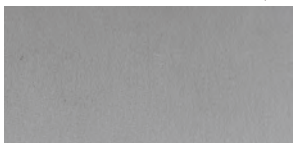

**VS**

**Industry standard steel: 0.6 mm thick**

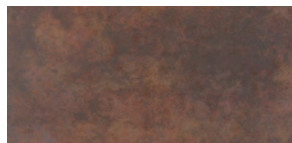

**SHUTER** uses high quality galvanized steel sheets imported from Japan for the body of its classic office filing cabinets. Additional powder coating ensures they will keep working for you even in the harshest of environments.

After 72 hours in a typical industrial environment

Galvanized alloy steel plate

**VS**

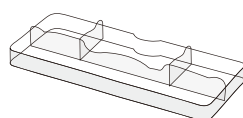

General alloy or metal steel plate

NCA-DH6H  
333W x 328D x 730H mm

### NCA/MCA/EMC Series

- Light, flexible and easy to move: suitable for workers on the go
- Ideal for use in clinics, pharmacies, offices, meeting spaces, and more

## NCA Series

Material: Steel and IPS

- Integrated design features 2 mm thick steel jacket
- Sleek look fits with any modern office or home
- 60 mm diameter PU casters support up to 100 kg

Easy-slide accessories tray

NCA-DH3P  
333W x 328D x 735H mm

NCA-DH6H  
333W x 328D x 735H mm

## MCA Series

Material: Polywood and IPS

- Integrated design features 10 mm thick polywood exterior
- Sleek look fits with any modern office or home
- 60 mm diameter PU casters support up to 100 kg

Ideal for storing stationery  
(NCA and MCA)

Suitable for file holders  
(NCA & MCA)

MCA-DH3P  
357W x 328D x 735H mm

MCA-DH6H  
357W x 328D x 735H mm

## EMC Series

Material: Polywood and IPS

- Storage cubby hidden under polywood top
- Space-saving design: fits under any desk with ease
- 60 mm diameter PU casters support up to 100 kg

Discrete top-entry storage  
(A4X-105HM & A4X-101HM)

A4X-106HM  
315W x 400D x 627H mm

A4X-105HM

Bookshelves  
Flat-pack design saves on freight costs

**"A place for everything and  
everything in its place."**

- Benjamin Franklin

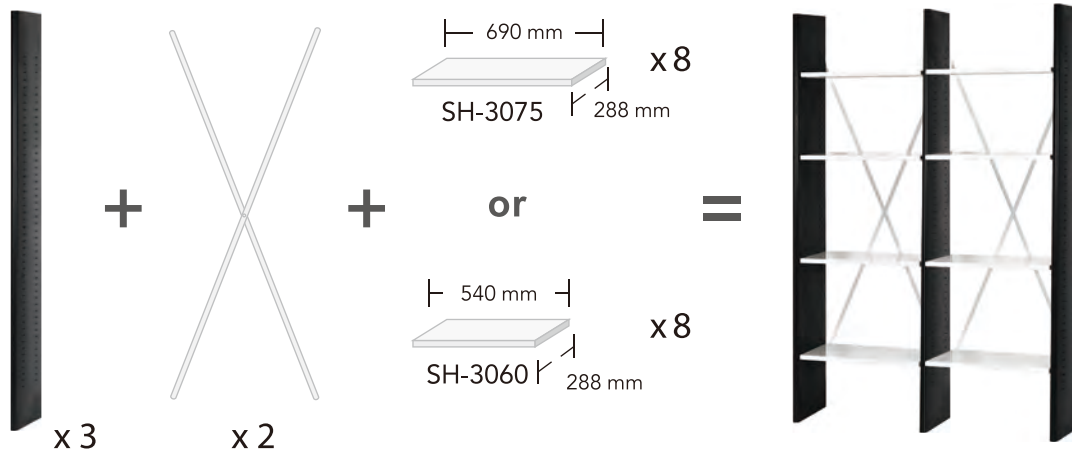

SH-60 (4 shelves)  
600W x 302D x 1804H mm

SH-75 (4 shelves)  
750W x 302D x 1804H mm

## SH Series

- Light, flat-pack design that is easy to assemble
- Holds weights of up to 400 kg
- Available in two convenient widths: 60 cm and 75 cm
- Modular: connect shelf sets together for more storage

## NEW!

### Rolling Storage Trolley

- Elegant design of white tray with rose-gold tubing
- Trays available with venting or without venting
- Plastic material and venting makes this trolley ideal for use in humid spaces
- Easy no-tool assembly
- Suitable for storage of things small or large: office supplies, beauty products, jewelry, and much more
- Use in the home (kitchen, bedroom, bathroom), the office (under desks, in the copy room), or retail settings (hair salons, makeup counters)

## Storage Credenza

Stylish design with O<sub>3</sub> technology

Patent No. M258653 D105635

### What is O<sub>3</sub>?

O<sub>3</sub> (or ozone) removes odor by destroying the molecules, bacteria, and spores that cause unpleasant smells. SHUTER has embedded this technology into its stylish storage credenza to minimize the odors coming from shoes or other items contained inside.

### Materials

Credenza body is made of SECC 0.7 mm galvanized steel plate imported from Japan and then finished with a 0.1 mm powder coating.

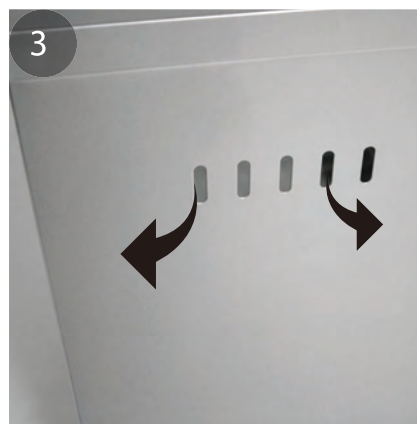

### Credenza doors

Credenza doors are available as opaque reinforced IPS panels or translucent GPS panels. Both are highly durable, and the color can be customized on request.

SC-306A  
890W x 350D x 502H mm

1. Magnetic door closures
2. Built-in hooks
3. Ventilation holes further reduce odors
4. Patented door design
5. Bungee cords for securing small objects

## Accessories

Storage Trolley / Storage Cabinet / 3C Accessories / Storage Case

## NEW! mini Multi-tool Keyring

SHUTER's renowned toolbox transforms into a pocket tool to celebrate 50 years in business

### Features:

1. Handy take-anywhere, pocket-size toolkit
2. Fitted with an adjustable ball chain
3. Features cross- and flat-head screwdrivers and a bottle opener

HTB-50  
69W × 29D × 22H mm
