Chopper

Food Processor

- 600 watts of power.
- Vertical motor design shifts the weight of the mixer out of your hand and into the bowl.
- Quick cleanup design has a completely sealed system, so nothing gets inside the housing, and dishwasher-safe parts make cleaning easy.
- One-Handed control speed selector is all it takes to adjust the speed while you mix.
- Attachments for every task , especially both whisk and beater in one creates volume for light and airy mixture.
- The sturdy dough hooks are perfect for homemade bread and pizza.
- 1 liter capacity chopper or 2 liter processing bowl with 3 pcs blades.
- An ergonomic grip keeps you comfortably in control.
