Company Profile

"Enart Enamel Ltd." is founded in the beginning of 2010 in Kayseri, Turkey, based on 39 years of experiences of enamel production with our new quality policy and additional investments. For this, Enart have moved to our new factory building in Kayseri Free Zone at the beginning of 2012 with an area of 10000 m² covered and 20,000 m² open.

As one of the pioneers in kitchenware sector, Enart is exporting its whole production to more than 40 countries in 5 continents and is assigning the company mission as providing and maintaining total customer satisfaction with our challenging quality, expanding product range and innovative approaches.

Enart is happy to feel the privilege of being the unique company that is able to individual market's requirements with our customer based mentality.

Enart products have been tested by Tuv/ Rheinland, Intertek, SGS, Bureau Veritas, moreover, Enart has BSCI, ICS, Kaufland Social and Factory audits and ISO 9001-2015 Quality Assurance Certificate.
