

CHHABRA

home concepts

(A UNIT OF RAVI EXPORTS)

A Glance

Chhabra Home Concepts is based at Panipat the upcoming weaving capital of India. Equipped with the latest techniques And equipment, we have been able to keep ahead of the market, and have always kept the inherent, traditional values of our products intact.

With an impressive pool of knowledge **built since 1992 in manufacturing**, our factory is being managed by a learn of Experienced professionals and highly skilled supervisors and weavers who have an eye for quality and perfection Chhabra Home Concepts has been continously expending and upgrading its manufacturing facilities with state-of-the art technologies (delt space here and continue in one line) and equipment, in tandem with the changes and the growing demand in the world market.

Our products are winning over new customers in the competitive international market of U.S.A, Europe, South America, Latin America, and Asian Countries.

Apart from this for all our textile products, **we use premium quality yarn dyes and raw materials**. All products, from the row material to the finishing stage are subject to stringent quality-checks, under the strict supervision of experts. The result is an increasing demand of **Chhabra Home Concepts** Products by many prestigious wholesalers, reputed departmental chain stores and fashion houses all around the world.

THANK YOU OUR BEING OUR STRETEGY PARTNERS
