VANCE KITIRA

HAND POURED
in Thailand

Candles . Candle Holders

Certified candles with no emission of harmful or cancer causing particles.

Vance Kitira was established in 1993 by Thai forester Vance Kitira. The success behind the brand is derived by Vance's own love for nature and his unique ability to translate it into fashionable products, while protecting nature and its inhabitants in return - and the belief that ecofriendly is far from equal to high prices.

“As a brand we have seen our image stronger under
Lübech Living marketing and distribution.”
