

About us

Our story began in 2004 under the name of **M.S. Impex**, we have developed the concept of Historical handforged legacy from the beginning of bronze age of 1700s. and given it a little bit of contemporary taste so that it can incorporate present -day customer trend.

We are **manufacture and exporters**, specialized in handforged homewares, flatware, jewellery and other Indian finest products in different metals like iron, copper, brass, titanium, silver and also in bone, horn and wood.

We are a **SEDEX** approve factory and work under all compliances and norms established for the factory.
