

A woman with long brown hair and bangs, wearing a light blue long-sleeved dress, is sitting on a large green exercise ball. She is smiling and looking down at a clear glass jar on a light-colored round table. The jar contains fruit (apple, banana, grapes) and a yellow fork is stuck in it. A yellow lid with a small dome-shaped clear plastic piece is on the table next to the jar. To the left of the jar is a blue and white reusable coffee cup and a green glass. The background is a blurred indoor setting with other tables and chairs.

## VLUV BOL

VLUV BOL are the first inflatable seating balls covered in upholstery fabric. They are made for upright, healthy sitting.

### FEATURES OF VLUV BOL

#### gripME

Design-patented handle for easy and safe transport

#### unROLL

Bottom ring prevents ball from rolling away too easily

#### fixFORM

Improved upright sitting position thanks to its firmer cover

#### extraSAFETY

Double layer prevents size expansion and bursting

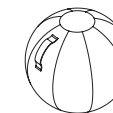

#### lightWEIGHT

Super light-weight, from 1,500 gms

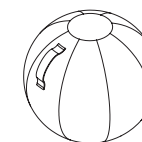

#### duoTHREAD

Double seam for highest durability and safety

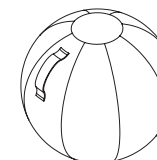

#### 50-55 cm

Perfect for school children and adults from 135 to 155 cms height. We recommend using a height-adjustable table.

#### 60-65 cm

This model is made for people from 155 to 180cms height. Recommended for standard tables with a height of ca. 74cms, even for taller people.

#### 70-75 cm

Made for people from 180 to 200 cms height. We recommend using a height-adjustable table to fit the legs under the table.

# VLUV UPP STAND-UP WEIGHT

UPP is an innovative weighted disc that stabilizes fabric-covered seating balls. The weight acts as a stand-up function that always returns the ball to its original position.

---

## FEATURES OF UPP

- ball will safely return if touched
- works with almost all fabric-covered seating balls
- easy to attach by simply inserting the weight between inner ball and fabric cover
- easy to remove
- made of premium quality rubber
- weight: approx. 800 gms
- dimensions: 210 x 27 mm
- including manual
- packaging made from recycled carton
