

# Who we are

- Editor and provider since 1997 based in Motril, Andalusia (Spain).
- Specialised in stationnery and merchandising products.
- A team of more than 50 professionals and 30 sales agents.
- A logistics warehouse of more than 5000 m2.
- A creative team that designs 1000 references every year.
- Official licensee of about 25 brands.
- We export all over the world.
- More than 3000 active customers.

# Erik, a worldwide group

Throughout our almost 22 years of existence, we have expanded our market with our own sales forces in:

Spain since 1997

Portugal since 1999

France since 2009

Italy since 2016

Moreover, we export to more than 50 countries around the world.

Our website B2B completes our sales organisation.

# Supply chain

Each of our departments are integrated to provide the best products, and offer an efficient service to our customers.

# Licences

We are specialist in developing products under the most current oficial licences. We have been for years, a well-known partner with the most recognized and notorious brands.
