OUR COMPANY

Each game set tells its own little story...

Manopoulos Company has been creating premium quality board games since 1970. Our uncompromising demands of style, materials and workmanship are reflected in all our game sets. Each backgammon and chess set we design, carries a part of our soul and legacy.

It's your turn to roll the dice!

We long to make you part of our tradition by establishing an invisible bond between you and each article of our game sets. By owning a Manopoulos game set, you literally escape from the everyday reality and you create your own tales while enjoying quality time with friends and family.
