ABOUT US

Our group was founded in 1991 as an exporting company by the president Jason Huang. It was later branched out in 1997 to fully establish CHRISKO PRODUCTS CO., LTD as one of the widely recognized leading manufacturing and exporter of commercial quality foodservice products in Thailand.

We develop and export a variety of products to hotels, restaurants, cafes, nursing/retirement homes, and retail chains through importers all around the world.

FUNCTIONALITY, DESIGN, VALUE

"We strive to develop products that are optimal in quality, functionality, design, and value."

With a one-stop service, CHRISKO is here as your top choice for foodservice supplier."

-Jason Huang, President
