

LAVA®

Lava for every kitchen, with all **naturality**

LAVA® About Us

Born out of 40 years of iron casting experience, LAVA opened its first enameled cast iron cookware facility in 2010 in Eskişehir, Türkiye. With state-of-the-art enameled cast iron manufacturing plants, LAVA became a leading brand, exporting to more than a hundred countries.

LAVA Enameled Cast Iron Cookwares are produced in a 45.000m² facility with non-cancerogenic 100% recyclable materials and comply with international standards. With pioneering R&D, the highest manufacturing technologies, rigorous quality control, and a passionate team, LAVA is dedicated to offering efficient, easy-to-use, professional solutions to all skill levels with its comprehensive product range catering to retail and HoReCa worldwide.

LAVA® About Us

Experience

With 40 years of experience in the industry and visionary leadership, LAVA is an open-minded industry leader aiming to enrich its community.

R&D

With an in-depth analysis of the market needs and customer demands, LAVA turns designs into solutions with an efficient production process at highest quality standards, affordable prices.

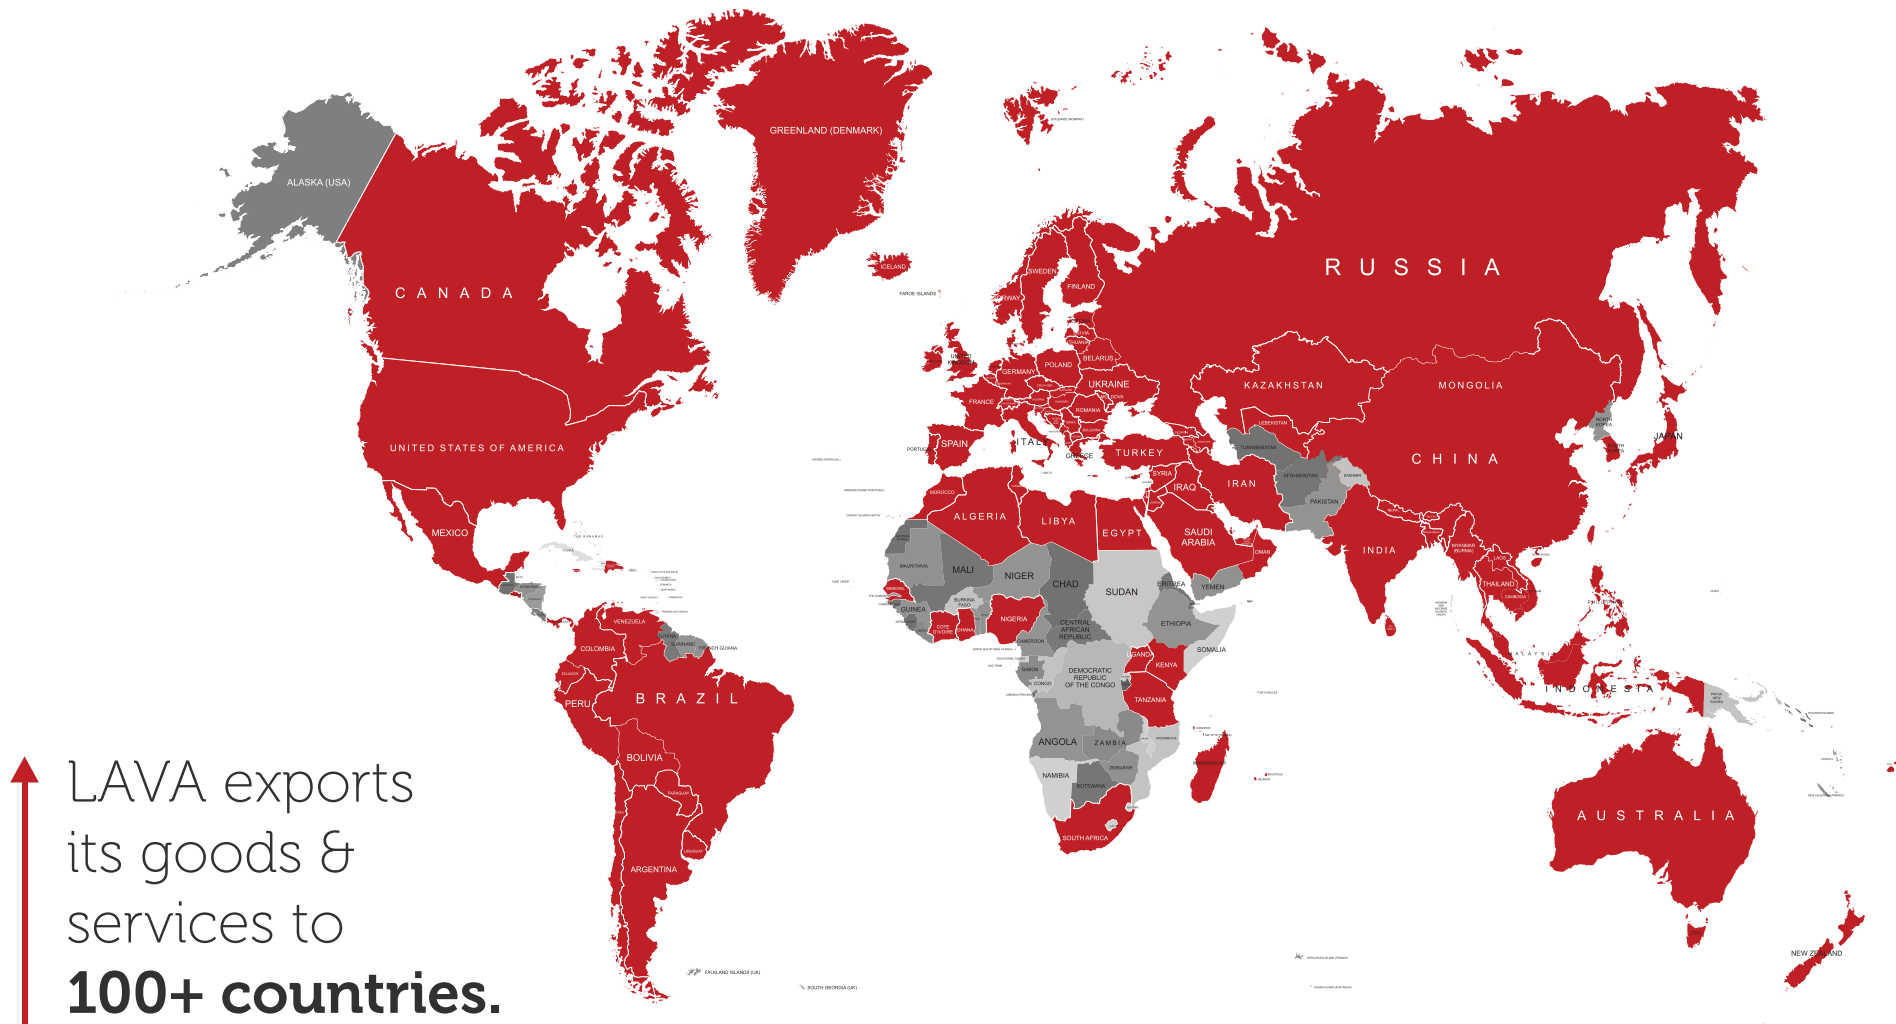

Export

With high brand recognition and credibility in the industry, LAVA runs a global network of 100+ countries.
