Who is Glass Style – Walid Onsy

- Glass Style Company was founded in 1992 as a glass studio specialized in **fused glass technique**.
- In 2002 Glass Style Company expanded and reorganized the studio to focus on more diverse applications in glass. We wanted to offer more functionality so we started introducing new shapes, sizes and various uses of our items.
- Moreover we added a wide variety of architectural application such as (doors, panels, wall art, lighting units, sinks and shower doors).

The Artist

- Glass Style company is owned by **Walid Onsy** the Egyptian glass artist, **Assistant Professor** at Faculty of Applied art, Helwan University, who has more than 45 artistic and commercial exhibitions in Egypt and worldwide .
- **Walid Onsy** is one of the fewest artists in the Middle East specialized in fused glass technique.
- **Walid Onsy** felt so much affinity to work on glass and has been successful enough to offer products that offer both function and celebrate beauty.

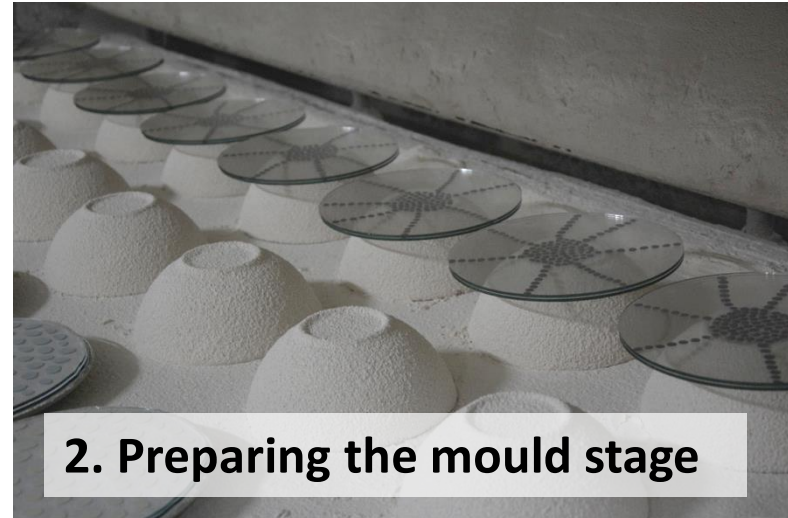

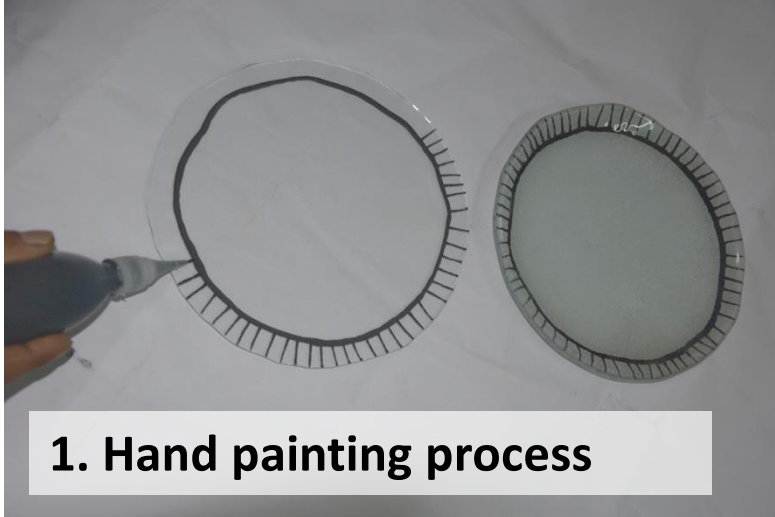

The Production

- Glass style products are handmade fused glass products, designed and made with so much passion for art.
- We celebrate art in all our designs, creating matchless artistic items that you can find no where else.
- The production process is a very meticulous one that each piece has to go through; starting from the design phase till the very final touches.
- The coming slides highlight the major milestones of the production process.

Glass Style collaborations

Walid Onsy

Collaboration with chocolates

The beauty of this collaboration is it shows how our everyday items can be used creatively for food options like chocolates, oriental treats and Arabic sweets as well. Here we used our own patterns and size options available to our regular customers.

Collaboration with chocolates

These were examples to show how to use our mini glass bowls for several kinds of events like marriage, baby showers and feasts' giveaways to add more value to the giveaway and have a unique functional item that you can keep for ever.

Collaboration with JAM

BY HEDAYAT

This collaboration we feature the power of customization, where we offer our products in patterns and color tones that goes with Jam Space signature patterns.

We design plates and glassware items that matches their own fabrics..

Collaboration with JAM

BY HEDAYAT

- Customization is the core benefit of our technique and portfolio.
- Customization of textures and designs is our specialty. We can customize to match a logo, piece of fabric, wallpaper, artwork, or even a rough sketch in our glass.
- This offers architects and designers an endless selection of possibilities.

Collaboration with

U R B A N
N A T U R E
C U L T U R E

One of our favorite collaborations was with Urban Nature culture, a wholesale buyer in Netherlands who go around the world hunting for beauty and treasures in every corner of the planet.

They select talented producers and designers from all over the world and create capsule collections with them to display at Urban Nature Culture. The main aim of their collaborations is to celebrate craftsmanship and exceptional talents through matchless products that can come to life.
