Company History

CHUANG SHIH PLASTIC

Established in Sanchong city of Taipei county in, 1966. Main scope of business included plastic injection, manufacture of machinery for component, and mold design.

Due to the expansion of business, we relocated to Taoyuan County in 1999. Facing the challenge of emerging industry and economic environment, we adjusted the operation's policy, expanding the research area and developing exclusive products. Therefore, we skirt the recession and make revenue.
