

2023  
COLLECTION

In 2020 to 2021, the distant work revolution reshapes the world. Working and Relaxing both take place at home. Decorating for specific circumstance is getting more and more important. To meet the goal, Gudee's 2023 collection represents healing, comfortable and still functional storage furniture.

ORSON series' new color arrivals. Natural bamboo color with aluminum alloy combination are giving an alternative look of your home office decor. Gudee introduces brand new series, RICO. This men's garment organizer keeps your outfit neat and clean. TRIVI series and RHOMBUS foldable trivet help you perfectly prepare meals in kitchen. The classic storage series with refresh colors are adding a touch of natural.

This year, we presents various bamboo craftsmanship and different materials on our products. From aluminum alloy, diatomaceous earth to terrazzo and rattan, they fully match bamboo. Gudee has successfully breathes life into bamboo works.

Gudee won't stop to develop delicate collections. We are pleasant to share our brand spirit and work with global selling partners next year. In this 2023 collections, we continue to provide home décor products and more sophisticated home storage. From the following pages, we would like to provide you a closer look of the design in each room.
